READ—the following paper :—

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, the 11th December 1895, No. 3286 G.

With reference to paragraph 2 of Public Works Department letter No. 961 G., dated the 3rd April 1895, I am directed to state that the Government of India consider that the whole of the Military Subordinates serving in the Public Works Department, Burma, should be transferred from the Bengal to the Madras unattached list, receiving Military promotion on the warrant list of the Public Works Department of that Presidency. The total number of Military Subordinates* to be so transferred on November 1st was 25, holding military rank as noted below :—

Deputy Commissary	...	...	...	...	...	...	...	1
Assistant Commissary	...	...	...	...	...	...	...	1
Deputy Assistant Commissary	...	...	...	...	...	...	...	2
Conductors	...	...	...	...	...	...	...	2
Sub-Conductors	...	...	...	...	...	...	...	19
Sergeants	...	...	...	...	...	...	...	—
Total	...	...	...	...	...	...	...	25

2. On the transfer taking place, the number of warrants on the Madras list would be increased from 21 to 28 after dividing the total number of warrants sanctioned for Bengal and Madras together (52 plus 28) rateably, according to the actual strength of each list after the transfer.

3. The scale of 28 would be distributed as below, allotting the appointments in the several grades rateably in proportion to the total scale and the present sanctioned distribution :—

Deputy Commissary	...	...	...	...	...	...	...	1
Assistant Commissary	...	...	...	...	...	...	...	1
Deputy Assistant Commissaries	...	...	...	...	...	...	...	3
Conductors	...	...	...	...	...	...	...	9
Sub-Conductors	...	...	...	...	...	...	...	14
Total	...	...	...	...	...	...	...	28

4. It is considered desirable that the transfer should take effect from the 1st November 1895; this will give the Madras list the benefit of the retirement under the 55-year rule of Honorary Captain and Deputy Commissary Wm. Marr with effect from 8th November 1895; and I am to enquire whether His Excellency the Governor in Council agrees to the transfer being carried out accordingly. An early reply is requested.

Case 10141

Dr

For order whether the proposal of the R. J. J. shall be accepted -

2. There are at present 21 warrants on the master list. The R. J. J. propose to add the names of ⁵ warrant officers to our list for promotion. But to raise the total number of warrants to 28. The existing distribution of the grades & that proposed is shown below. -

Deputy-Commissionary -	1	1
Assistant -	1	1
Dr ant -	2	3
Conductors -	7	9
Sub Conductors -	10	14
	<u>21</u>	<u>28</u>

3. There will be no gain in the first two grades, but on the whole the master list will probably gain -

on the Burma list retire
from 8: 1002, but no
promotion will be admitted
on the combined list, as
we have already one Dy. Comy.

4 No Asst. Commissioner
comes over from the Burmah
list, & no change will take
place.

5 The Dy. Asst. Commissioner
of the Burma list is senior
to the two on the Madras
list, & will come below
them for promotion.

6 The two Conductors
of the Burma list are senior
to all the Madras Conductors
except W.C. Reader, who is
senior, ^{they} will probably be
promoted ^{for Madras} for a time.

7 The senior Sub Con-
ductor of the Burma list is senior
to all the Madras ~~Sub~~ Sub
Conductors & will come above
them for promotion, but
the second man is junior
to all Madras Sub Conds.

8 Two Sub Conds
will come into the list,
while the total of the grade
will be increased from

10 to 14 - Two promotions
from Serjt. to Sub Conductor
will therefore become im-
mediately available.

9 The Serjants of the
Burma list will have to
be graded among the
Madras Serjants according
to seniority, but as the
first 5 Madras Serjants
are senior to all the
Burma Serjants, the
promotions will go to
Madras men.

The E. of J. mention
the benefit to the Madras
list gained by the
retirement of the Burma
Dy. Commissioner, but as
the combined list will
have only one Dy. Comy,
the benefit will be nil
as shown above.

For orders.

This note explains

the position precisely.
 The result will be
 slow promotion in the
 lower grades, but
 quicker promotion in
 the two lower ones.

The latter is more

 former & I think
 we may accept the

No 74 W of 9 Jan 1896

Public Works Department.

Note for His Excellency the Governor

The Government of India propose
 to transfer to the Military list of
 the Madras P.W. Department for war-
 rant promotion, the whole of the Mil-
 itary Upper Subordinates of the Burma
 P.W. Department, and to increase the
 number of warrants on the Madras list
 proportionately.

2. There are at present 21 warrants
 on the Madras list. The Government of
 India propose to add the names of 5
 warrant officers to our list for pro-
 motion, but to raise the total number of
 warrants to 28. The existing distribution of
 the grades and that proposed is shown
 below:-

	Existing	Proposed
Deputy Commissary...	1	1
Assistant -,-	1	1
Dy. Assistant -,-	2	3
Conductors	7	9
Sub Conductors	10	14
	<u>21</u>	<u>28</u>

3. There will be no gain in the
 first two grades, but on the whole
 the Madras men will probably gain.

The Deputy Commissary on the
 Burma list retires from 8th November
 but no promotion will be admissible

There seem to be no grounds for
 our objecting to India's proposals.

on the combined list, as we have already one Deputy Commissary.

4. No Assistant Commissary comes over from the Burma list, and no change will take place.

5. The Deputy Assistant Commissary of the Burma list is junior to the two on the Madras list, and will come below them for promotion.

6. The two Conductors of the Burma list are senior to all the Madras Conductors except W.C. Reader, who is extra, and they will probably block promotion for Madras men for a time.

7. The senior Sub Conductor of the Burma list is senior to all the Madras Sub Conductors and will come above them for promotion, but the second man is junior to all Madras Sub Conductors.

8. Two Sub Conductors will come into the list, while the total of the grade will be increased from 10 to 14. Two promotions from Sergeant to Sub Conductor will therefore become immediately available.

9. The Sergeants of the Burma list will have to be graded among the Madras Sergeants according to seniority, but as the first 5 Madras Sergeants are senior to all the Burma Sergeants, the promotions will go to Madras men.

10. The result will be rather slower promotion in the upper grades, but

quicken

quicken promotion to the two lower ones. The latter is more important than the former, and it is thought that the arrangement may be accepted.

11. For departmental promotion, the two lists will remain quite distinct as at present, and in this respect we shall have nothing to do with the Burma men.
