SUPERINTENDING ENGINEER'S OFFICE,

No. 63 W

V CIRCLE, MADRAS,

Chepak, 21st February 1896.

From Lieut: Colonel C. C. Rawson R. E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

Chief Engineer

P. W. Department

SIR,

Enclosures.

With reference to G.O. No 430 W dated 3rd February 1896, I have the honour to inform you that I have circulated copies of the list of surplus stock in the P.W. stores to all Executive Engineers in the Presidency, through their respective Supg: Engineers, and to the Consulting Architect to Government and the Supt: of works, Periyar, with the request, approved of in your No 2991 C of 16th October 1895, that all articles which can be supplied from the stores, should when required be procured from there.

2. I have also requested the Genl. Supt. to put himself in communication with the Engineer of the harbour works and the Engineer of the

Madras Municipality and send them copies of the lists of surplus stock articles, drawing their attention to particular items of the stock.

3. The General Dept. has further been requested to communicate with the officer in charge Revenue Survey, regarding the lithographic stones available, also with the Engineer of the Madras Tramways Company and the Principal, College of Engineering, who may want articles for his workshop or for instructional purposes.

4. In case the lithographic stones are not required by the Revenue Survey, the Genl. Dept. has been desired to try the Lawrence Asylum Press.

5. The Genl. Dept. has been asked to report the results of these steps for the reduction of the surplus stock of the stores, and on its receipt a further report will be submitted.

I have the honour to be

Sir

Your most obedt. Servt.

C. S. Ram
