Letter from the Accountant-General, Madras,
dated 13th February 1896, N^o 428:—

With reference to Official
Memorandum N^o 70, Financial Department,
dated the 11th of January 1896, referring
to me for remarks paragraph 2 of G. O.
N^o 3188 W dated 13th December 1895 P.W.D.,
I have the honour to state that in
reply to a reference made by this
office the Treasury Officer of Godavari
reports that the leasehold of the compound
of the District Munsif's Court, Amalapur,
for a term of five years was sold by
public auction on 9th February 1894
and that the purchaser agreed to pay
a rent of Rs 42 annually on 30th June.
~~The first payment was made on 30th June~~

~~June~~ The first payment was made on 5th December 1894 and stands credited in the accounts under "XVI A Law and Justice - Courts of Law - Miscellaneous - other items. District Munsifs Courts." The rent payable on 30th June 1895 has not been paid yet, and the lessee appears to have arranged that the amount should be deducted from the compensation awarded to him for the surrender of the lease for the unexpired portion of the term.

2. On receipt of final orders of Government, I will arrange for the disbursement of the compensation of Rs 90/- sanctioned by Government less the amount of rent due by the lessee. The charge will be debited in the accounts to "19 A Law and Justice - Courts of Law - Civil and Sessions Courts - Miscellaneous."

Order N°-117 dated 22nd February 1896.

The Accountant General is authorised to adjust the transaction as proposed in paragraph 2 of his letter.
