No. 100, MARINE, 18TH FEBRUARY 1896.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following papers:—

From G. W. WICKS, Esq., Port Officer and Deputy Conservator of the Port of Cocanada, to the Joint Secretary to Government, Marine Department, dated 21st January 1896, No. 75.

I have the honour to submit copy of proceedings of the Gó dávari District Port's Conservancy Board, Cocanada, dated 19th December 1895, published with the District Gazettee for January 1896.

ENCLOSURE.

Minutes of a Meeting of members of the Gó dávari District Port's Conservancy Board, Cocanada, held in Port Office, Cocanada, on Thursday, the 19th December 1895, at 7 A.M.

1. Read Deputy Conservator's letter, No. 972, dated 30th November 1895, bringing to the notice of the Board the urgency of a further extension of northern groyne. The Board sees no reason to abandon its resolve to extend the southern groyne by 1,000 feet or up to the fair way channel, but at the same time resolves to complete the northern groyne by extending it another 1,000 feet at an estimated cost of Rs. 23,000.

(Signed) V. A. BRODIE,
Chairman, Gó dávari Dt. Port
Conservancy Bd.

No. 41, Marine.

Referred to the Presidency Port Officer for inquiry and report whether the proposed extension of groynes referred to in paragraph 1 of the minutes is in accordance with estimates already approved by Government. If not, the matter should be brought up separately for orders.

31st January 1896.

(Signed) D. McNEIL CAMPBELL, Col., R.E.,
Joint Secy. to Government.

From Commander W. POWELL, R.I.M., Presidency Port Officer, Madras, to the Joint Secretary to Government, Marine Department, dated 14th February 1896, No. 695/44 G.

With reference to endorsement No. 41, Marine, dated 31st January 1896 (enclosures herewith returned), I have the honour to report that the minute refers to a further extension of the northern groyne, and not to any for which estimates have already been approved. The Board intend to bring up the matter separately as soon as the opinion of the Superintending Engineer has been obtained as to the advisability of extending the northern arm.

No. 100, MARINE, 18TH FEBRUARY 1896.

ORDER—No. 100, Marine, dated 18th February 1896.

Recorded with the remark that the groyne extension work should not be undertaken without the prior sanction of Government.
