NOTES.

REFERENCE TO MADRAS P. W. D. CODE,
EDITION OF 1886.

PARAS. 25 & 26.

1. The column headed "present scale" should invariably show the sanctioned scale for the time being and not the strength of the actual (whether above or below sanctioned) establishment as it happens to stand at the time. The "present scale" should be verified by the examiner before the proposal is submitted to government for sanction (paras. 25 and 26).

2. In the column "average or fixed pay," financial value, not mean value, should be given.

3. The financial value should in the case of progressive appointments be calculated as follows:—

(1) If the period of rise from minimum to maximum is 5 years, the average will be the minimum plus two-thirds, or if the appointment is a ministerial one, plus three-fourths, of the difference between the minimum and maximum (C. S. R., Art. 164).

(2) If the period of growth exceeds five years (as in the case of accountants) the $\frac{1}{10}$ th fraction should be decreased by $\frac{1}{10}$ th of the difference for every year by which the period exceeds five; the fraction for periods in excess of five years will therefore be as follows:—

$$6 \text{ years} = \frac{3}{4} - \frac{1}{10} = \frac{29}{40}$$

$$7 \text{ years} = \frac{3}{4} - \frac{2}{10} = \frac{13}{20}$$

$$8 \text{ years} = \frac{3}{4} - \frac{3}{10} = \frac{9}{20}$$

and so on; so that when the period of growth is 20 years the financial value will be the exact mean.

Enclosure
1st instant

Sir,

With reference to G. O. No 135W of 11th Jan 96, I have the honour to forward herewith for your appraisal and sanction of Government a proposition statement for the additional establishment required for the formation of a Sub Dⁿ in the Vellare Dⁿ for the Udayagiri and Kanigiri Taluqs.

2. The formation of this Sub Dⁿ will render it unnecessary to suspend the operation of G. O. No 1228W of 28.5.94.

3. The present strength of upper Subordi- nates in each Dⁿ is in accordance with its requirements and should not be disturbed. I therefore request that you will be so good as to post a superior for the charge of the Sub Dⁿ and an overseer to work under him. I have the honour to be, Sir, your obedient servant.
