Bellary 27th February 1896.

FROM

W. B. de Winton Esq
SUPERINTENDING ENGINEER,

IIIrd CIRCLE,

TO

THE Chief Engineer
P. W. D.

Madras

Sir,

Enclosures.

I have the honor to
State that the marginally noted
water Returns were obtained from
Water Return of a private press without first
1 Tungabudra obtaining a certificate from
Ariant - the local officer in charge of the
1 Walvapuri "Government Press" as required by
Ariant - G. O. No 464 W. dated 26th February 96.
This course was adopted as sometime
back it was found difficult to
get forms printed in the Govern-
ment printing press at Bellary
without great delay, owing to press
of other work.

The Examiner P. W. accounts
now wants the certificate which

however, cannot be obtained,
because the form in question was
not sent to the local officer before
getting the work done privately.

Under the above circumstances,
I request that you will be good
enough to authorize the Examiner
to pass the charge viz Rs. 27.12-0
without the required certificate.

I have the honor to be,
Sir,

Your most Obedient Servant;

L B Chandra
Superintending Engineer,
