SIR,

I have the honour to state that the Superintendent Lunatic Asylum, Madras, brings to my notice that the Consulting Architect to Government objects to the Native attendants occupying the lines in the vicinity of the Asylum free of rent without the formal sanction of Government.

2. As these lines evidently appear to have been built some time ago with the object of providing them with quarters so as to be near their work, I trust that Government will be pleased to accord the sanction required.

I have the honor to be,
