Circular No. 3 Public Works.
GOVERNMENT OF INDIA.
PUBLIC WORKS DEPARTMENT.
GENERAL.

Calcutta, the 22nd February 1896.

Local Governments authorised to dispose of petty cases involving
expenditure without reference to the Government of India.

The following Resolution
is forwarded to the Local
Governments, Administrations,
and Officers named on the mar-
gin, for information and guid-
ance. Also to the Accountant
General Public Works Depart-
ment, for information only.

The Governments of Madras and Bombay, Public Works
Department, General and Railway Branches.
The Governments of Bengal, the North-Western Provinces and
Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Madras,
Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor General for Rajputana, Central
India, and Baluchistan.

2. The quarterly lists prescribed in para. 3 of the Resolution should be
forwarded to the Finance and Commerce Department, and should be submitted
within three months of the quarter to which they relate.

By order,

E. H. Walker

Secy. to the Govt. of India.

Resolution by the Government of India, Finance and Commerce Department,
No. 5102 Ex., dated 25th October 1895.

The Governor General in Council has had under consideration the question of diminish-
ing work by giving to Local Governments more general powers to dispose of petty cases
involving expenditure which under strict rule requires the sanction of the Government of
India. As a step in this direction His Excellency in Council has decided to issue the follow-
ing orders.

2. Local Governments (including Chief Commissioners) may, subject to the provisos
stated below, without reference of each case to the Government of India, sanction expenditure,
whether Provincial or Imperial, on objects customarily recognised as fit objects for the expendi-
ture of public money in cases in which a reference to the Government of India has hitherto
been required either (a) by the terms of any rule or order, or (b) because the conditions or
limitations prescribed in any rule or order are not completely fulfilled, or (c) because there is
no rule or order authorising the expenditure; Provided that—

(1) the sanction relates only to a single payment and does not cover any recurring pay-
ment;

NOTE.—This does not prohibit a payment calculated at so much per day, or per month (e.g., joining time
over 30 days), but merely excludes periodical payments running into future dates.

- (2) the sanction does not involve the setting aside of any existing rule of the Government of India as distinguished from the granting of an exemption from its operation, justified by special circumstances; and that it does not establish a new rule or practice involving expenditure;
- (3) the total amount payable under the sanction does not exceed Rs. 1,000 in any case if charged wholly or partly to Provincial or Local, and Rs. 500 if charged wholly to Imperial;
- (4) the expenditure is within the power of the Government of India to sanction, and does not require a reference to the Secretary of State.

3. Each sanction given under the powers conferred in this Resolution must quote the Resolution for the information of the Account Officer concerned; and a quarterly list of all such sanctions shall be prepared by the Account Officer and submitted, through the Local Government, to the Government of India in the Finance and Commerce Department in the form appended to this Resolution. If no orders are received regarding any item entered in the statement, it may be assumed that the orders have been accepted and confirmed by the Government of India.

4. Although it is desired that the fullest use be made of the powers conferred in this Resolution, it is not to be taken as indicating the application of any new principles in the regulation or control of expenditure, which must necessarily be limited with the same strictness and attention to economy as heretofore. The authority given must not be delegated.

5. The Resolution applies (1) to all payments in the Civil Department; (2) to all payments under the Civil Service Regulations in the Public Works Department.

ORDERED that this Resolution be forwarded to all Local Governments and Administrations, to the Comptroller and Auditor General, and to all Accountants General and Comptrollers.

Number and date of order of Local Government.	Particulars of the case as brief as possible.	AMOUNT OF PAYMENT SANCTIONED. (To be FORWARD TOTALLED EACH FINANCIAL YEAR.)		Remarks (if any) of Accountant General and Local Government in submitting the case.
		Imperial.	Provincial.	
	(The object being to show the nature of the payment and its commended itself to the Local Government.)			<i>No 886 W 11 March 1896</i> <i>Recorded with reference to Rs. 3167 W of 9. 1895.</i> <i>10/3/96</i>

To
The Joint Secretary to the Government of Madras,
Public Works Department.

Calcutta, the 2nd March 1896.

Sir,

I am directed to acknowledge the receipt of your letter No. 408 W., dated the 1st February 1896, and, under the circumstances therein explained, to communicate the sanction of the Government of India to an expenditure of Rs. 2,945/- on the construction of quarters at Rajahmundry, in the Godavary District, for the Reserve Inspector of Police at that place.

2. I am, however, to say that the Government of India do not understand why in a case where the accommodation provided should conform to the same standard, the cost of these quarters should so largely exceed that of the quarters at Parvatipuram sanctioned in Public Works Department letter No. 458 B, dated 4th November 1895.

I have the honour to be,

Sir,

Your most obedient servant,

A. L. Lee
