

Public Works (1896) Department.

G.O., No. 939

DATED 28-1-96

[Despatch Abstract.]

Correspondence: The suggestion of the
Chief Engineer for Irrigation that
all— regarding the Periyar Project
and the Harbour cause be dealt
with in the Irrigation Branch,
approved.

GOVERNMENT OF MADRAS.

Irrigation.

READ—the following paper :—

No. 14 I.

Note by the Chief Engineer for Irrigation.

The allotments for the Periyár Project works have been from year to year embodied in the Irrigation Budget, and all orders dealing with the works and transfers of funds connected therewith have been issued in the Irrigation Branch, although the execution of the works has been under the orders of the late Chief Engineer, Public Works Department. As the *personnel* of the Public Works Secretariat has now undergone a change, and the Project works themselves have nearly approached completion, it is suggested that all correspondence dealing with the Project should now be sent direct to the undersigned, and dealt with in the Irrigation Branch.

The same reasoning would apply to the estimates for the Harbour Canal, and their investigation and scrutiny, before execution in this office.

CHEPÂK, (Signed)
8th January 1896.

R. R. E. DRAKE-BROCKMAN, Col., R.E.,
Chief Engineer for Irrigation.

ORDER—No. 93 I., dated 28th January 1896.

Approved.

(True Extract.)

Under Secy. to Govt., P.W.D.,
Irrigation Branch.

To the Chief Engineer for Irrigation.

- To the Chief Engineer for Irrigation.
 " Chief Engineer, Public Works Department.
 " Consulting Engineer for Railways.

Read the following:—

FOR ORDERS

Not by the Chief Engineer for Irrigation

The allotments for the
Periyar Project works
have been from year
begin embodied in the
Irrigation Budget, and
all orders dealing with
the works and disbursements of funds
conducted thereunder,
have been issued in the
Irrigation Branch, although
the execution of the work
has been under the orders
of the late Chief Eng.
P.W.D. As the person-
nel of the ^{Public Works} ~~works~~ Office
has not undergone a
change, and the ^{Project} works
themselves have not

Does the Chief Engineer
approve?

The Periyar Project being
an irrigation work may
be transferred to E.I. This work
it was only hitherto retained
in Colonel Pennycuik
as he had been intimately
connected with it for so
long. The Stambur Canal
should now form a branch
of the Buckingham Canal
and is an irrigation work
may also be transferred
to E.I.
