PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Director of Public Instruction dated 4th March 1896 No.2299.

I have the honour to request that you will be good enough to obtain the sanction of Government for the preparation by the Public Works Department of estimates for the erection of partitions which would convert the wings of the Mangalore College buildings into suitable class rooms. The ~~abseee~~ absence of separate class rooms has long been felt as an obstacle to efficient teaching, and during my last visit I satisfied myself that partitions are necessary. The cost will be over ~~Rs.500~~ ~~rupees~~, but will not I think exceed Rs.1000 or Rs.1200, and this work has to be done whatever decision of Government may come to as to the future of the college.

Order No.209 dated 4th April 1896.

The Public Works Department will be authorized to prepare the necessary estimates.
