To,
The Secretary to
the Government Public Works Department
Madras.

Sir,

We have the honor to inform you that on the 24th instant we addressed the following letter to the Collector of Sea Customs

"With reference to the large bonded warehouse which was commenced
"at the end of the pier and the building of which has for the pre-
"sent been suspended we shall be glad to know whether you could
"arrange to rent it to us for the storage of cotton bales awaiting
"shipt during the Cotton season."

"The period for which we should be likely to want it would be
"May, June, July and August and we would undertake to vacate it at
"very short notice if it was required".

"We would of course undertake to pay for any damage should
"any be done during our tenancy and we shall be glad to hear that
"our application has been favorably considered as Government would
"thereby derive some revenue from the building until it is finally
"decided what is to be done with it."

"We think Rs.100 per mensem would be a fair rent as this is
"about what we should pay for similar accommodation in other godowns"

This Morning we are in receipt of his reply dated 27th instant
as follows:-

"In reply to their letter of 24th March has the honor to inform
"them that the undersigned is not in a position to consider their
"request, as the building in question has not as yet been placed
"in charge of this Department. They should address Government in the
"Public Works Department if they still desire to temporarily rent"
