

No. 4046

Superintending Engineer's Office,

3RD CIRCLE.

Bellary 28th March 1896.

FROM W. B. de Winton, Esquire,

SUPERINTENDING ENGINEER,

IIIRD CIRCLE,

To

THE Chief Engineer

W. D.

Madras.

Sir,

Enclosures. /

I have the honour to forward a proposition statement for the employment of temporary draftsmen required for the Bellary Dⁿ, as supplemental to the one already sent for such temporary Establishment required in this Circle during 1896-97, with this Office No: 3649 dated 27-2-96 and to request that you will be good enough to obtain the sanction of Government to the same.

2. The Executive Engineer, Bellary Dⁿ, explains that he finds it very difficult to go on with the drawing work in his Office with the present Establishment.

3. He proposes to investigate the Sugar Project which will keep one draftsman employed solely on this work. In

addition

In addition to this, he strongly recom-
mends the appointment of a drafts-
man for the Anantapur Sub. Div.,
as there are many schemes not worked
out and none of the Subordinates' time
could be given to field work
which is now spent in estimating
and plotting. The Sub. Divl. Officer
is a senior officer quite capable of
superintending a draftsman. Under
the circumstances, I request you will
be good enough to obtain the sanction
now sought for.

I have the honour to be,

Sir,

Your most obedt. Servant,

L. B. Chinniah

Superintending Engineer,

S.

24/3/96.

III Circle.

From N. B. De Nilton Esqr
The Superintending Engineer
IIIrd Circle,
Bellary.

To The Chief Engineer
P. W. Dept.
Madras

Dated 28th March 1896.
