PROCEEDINGS OF THE MADRAS GOVERNMENT.

---:---

Read the following Proceedings of the Board of Revenue, Land Revenue, dated 6th March 1896, No.1115 Mis., on letter from the Collector of Godavari District to the Secretary to the Commissioners of Land Revenue, Madras, Ref. on C.No.4194/Ver. of 1895, dated 29th January 1896.

Submitted for the orders of Government with reference to the correspondence ending with G.O.No.2022, dated 21st May 1895, Revenue.

2. The Board considers that the Collector has made out a good case for the abandonment of the present building which is said to be more than 100 years old. The Board would respectfully submit that the best course, as well as the cheapest, would be to build an entirely new office, as the defects of the existing building must discount the value of any improvements.

Order thereon, No.1308 Mis.,d/31st March 1896.

The Government considers that, in the circumstances reported, the construction of a new office for the Collector of Godavari at Cocanada is absolutely necessary. Orders will accordingly issue in the Public Works Department for the preparation of the requisite plans and estimates. In the meantime only such repairs as are urgently called for should be executed in respect of the present building.

2. The Collector of Godavari should be instructed to report what he proposes to do with the present building when the new one is constructed.
