ORDER—dated 27th December 1882, No. 3435 W., Public Works.

The Right Honorable the Governor in Council sanctions the entertainment, on the permanent Establishment, of the individuals named by the Chief Engineer for Irrigation in the annexed statement as Clerks, Draftsmen and Conservancy Establishment in connection with the new Kurnool Canal Division. Under the peculiar circumstances of the case, they will be exempted from passing the Government examinations prescribed for their respective grades in the Public Works Department.

2. Mr. R. Harris and T. Cunniappah Moodelly, nominated to the Upper Subordinate Establishment, will be brought on the Temporary Establishment for the present, but will be permanently posted when vacancies occur.

3. As regards Mr. Wilks separate orders will issue.

No. 185.

READ—the following letter from Lieutenant-Colonel ROSS THOMPSON, R.E.,
Officiating Superintending Engineer, Third Circle, to the Chief Engineer,
Public Works Department, dated Bellary, 30th January 1883, No. 1965:—

With reference to G.O., No. 3435 W., dated 27th December 1882, relating to
the establishment for the Kurnool Canal Division, I have the honor to request that
sanction may be given to the entertainment of two more Clerks, 4th Class, III Grade,
on salary Rs. 25 each, one for the Canal Division Office and the other for the Lower
Sub-division.

2. At present only one Clerk, 4th Class, III Grade, is sanctioned for the division
against two as allowed by the scale of establishment for first-class divisions, approved
in G.O., No. 1729 W., of 14th July 1881. A second Sub-divisional Clerk is also
required, as there are two Sub-divisional Officers.

3. Chain Sing and P. Balasundrum Moodelly, who were employed as clerks
under the Company, are proposed to be brought on the permanent establishment in
filling up the above appointments, and I request that these men may be exempted from
passing the prescribed examinations.

4. The Executive Engineer reports that M. Raghaviah Naidu, ordered to be
appointed as Sub-divisional Clerk in G.O., No. 3435, above referred, is not an efficient
clerk, and recommends in his place A. Nursimhooloo Naidu, late Head Writer in the
Lower Sub-division. He also recommends
the increase of Superintendent * Arna-
challum's pay from Rs. 40 to 45, by a corresponding reduction in the pay of Rs. 70
allowed for Superintendent Abdul Rahman Sahib. I request that the proposed
changes may be authorized.

No. 186.

ORDER—dated 12th February 1883, No. 467 W., Public Works.

The Superintending Engineer is at liberty to make up the office establishment
of the Kurnool Canal Division to that allowed by the fixed scale for a first-class divi-
sion with three sub-divisions.

2. The individuals named in G.O., No. 3435 W., were merely those whose
appointments for some reason or other required the special sanction of Government,
and were not intended to form the whole office establishment of the division.

3. The name of the Head Clerk was entered for appointment as Clerk, 3rd Class,
III Grade, because it was understood to be the intention of the late Superintending
Engineer to transfer him to another division and promote the Head Clerk of the
latter to the Kurnool Canal Division, but it is open to the Superintending Engineer

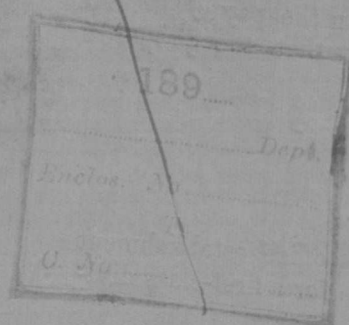

to use his own discretion in the matter and appoint the individual named to the Kurnool Canal if he thinks proper.

4. The exemption of Chain Sing and Balasundrum Moodelly from the examination rules, with a view to their appointment to the permanent establishment, is sanctioned.

Madras, 14th December 1892
The Executive Engineer,
Canal Division

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the above mentioned subject.

I most humbly beg to bring the following few lines to your honor's benign consideration, trusting that it will meet with success.

I served nearly 7 years in the Madras Irrigation & Canal Company & was Head Clerk on Rebo in the Lower Division when Government took charge of the Canal. On the transfer of the Canal to Government I was taken as clerk in Class 3 grade (20 to 30) having been exempted from passing examinations and I have been in Government service for the last 13 years, the past 6 years of which I have been drawing Rs 30, the maximum pay of the grade.

In the late famine of 1892-93, I was Head Clerk on Ro 40 in the Special Executive Engineer's office at Cumbum and in that capacity worked so hard, that trying time that my Superior Executive Engineer Messrs C. R. Smith and C. R. Dand brought my meritorious service to the notice of the Executive Engineer of the Division for special promotion. After the famine works were stopped in Cumbum I was transferred to Divisional Office as famine clerk on Ro 40, in which capacity I served nearly 4 months.

3. When the Head Clerk of the Division was granted sick leave your honor recommended me for Ro 40, which arrangement the Superintending Engineer disapproved on the ground that I was exempted only for the grade I now hold although I was granted temporary promotion of Ro 40 on more than one occasion.

4. When I was transferred from Company to Government service I was made to understand that I was exempted from examination rules for a post of Ro 20 & above

and not to the particular post or grade to which I was then appointed, which in itself needs explanation from examination rules but it cannot therefore be construed as debarring me from further advancement.

5. I further beg to add that a few of the Company's clerks who were taken to Govt. service in the same conditions have of late been given promotions & it seems hard line that I should alone be deprived of the concessions granted to my fellow clerks.

6. I beg therefore that you will in consideration of the above circumstances and the fact of my having rendered good service during the late famine as evinced by the enclosed testimonials, be pleased to address Government to declare my exemption from examination rules by a definite order of Government, so that there may be no misrepresentation about it and that I may not be debarred from promotion up to the grade to which the special tests apply.

I beg to remain
Honored Sir

Yours Most Obedt & humble Servt

Forwarded to the Superintendent Engineer
III Circle for favorable consideration.

Whether the applicant interpretation (para 4)

g. 4674 is correct I am not in a
position to say. The case of Shally Saib

is the only one which appears to have
any bearing on para 5. He was taken on,
vide P.O. 34510 dt 27-12-95, on a salary of
Rs 35 and he is now said to be drawing
pay in the 40 to 50 grade. The P.O. approving
this is not recorded. However

Clerk A. Narasimulu Naidu has worked
very steadily all the time I have been in
charge of this Division and I therefore
recommend that he may be exempted
from passing the examinations necessary
for drawing a salary in the 30 to 40 grade
as I consider him quite worth it.
