With reference to your letter No. 1260 dated 10th July 1889 to the Executive Engineer, Presidency Division, I have the honor to forward for the approval of the Surgeon General with the Government of Madras & transmission to Government for sanction and provision of funds, an estimate amounting to Rs 2706 for adapting the building formerly used as an Auxiliary Medical School, for quarters and out houses for the two apothecaries attached respectively to Sir S. Ramaswamy Mudaliar's Lying-in Hospital and the Government Leprosy Hospital.

The Report, Estimate & plans give full details of the work to be done. Should quarters be required for another Medical

subordinate at some future date it can be done by utilizing the two wings for the Senior & subordinates & giving the two central rooms with an additional bath room in the back verandah for the junior subordinate. The cost of this further conversion would be under Rs 200/- but a new set of out houses will be required for the third occupant.

I may state that the cost of constructing new quarters for the apothecary of the Leprosy Hospital with out houses will be about Rs 6000/- inclusive of the cost of site.

Sir,

The Examiner, P. W. Accounts, having brought to the notice of Govt. that no authority exists for the occupation, rent free, of the quarters provided for the apothecary attached to the Leprosy Hospital, I have the honor to enquire whether you are aware of any authority granting the medical subordinate rent free quarters, and, if so, to request that you will furnish me with a copy thereof. If no authority exists, I shall be obliged by your informing me on what grounds the apothecary is entitled to free quarters, to enable me to obtain the sanction of Govt. thereto.

SIR,

I have the honor to bring to notice that the Consulting Architect to Government calls for the authority by which the Resident Apothecary Leper Hospital occupies free quarters, and requests that the formal sanction of Government may be obtained if not previously granted.

The marginally noted correspondence (herewith forwarded for reference) has passed on the subject.

The Consulting Architect has made a similar call in the case of the Resident Apothecary Rajah Sir Ramaswamy Lying-in Hospital.

In 1890 the sum of about Rs 3,000 was expended by the Consulting

Architect, in the adaptation of the old
Auxiliary Medical School building
for quarters for these two resident
apothecaries, and the latter have
^{enjoyed} ~~employed~~ them for several years,
free of rent.

As it is essential for these
two resident apothecaries to reside
close to their work, and as this
principle appears already to have
received the approval of Govern-
ment (vide G. O. No. 137 of 11 Feb. 89.)
I request that the Surgeon General
will be so good as to obtain the
formal sanction of Govern-
ment of the continued occupa-
tion rent free, by these two resi-
dent apothecaries of the quarters
adapted in the old Auxiliary
Medical School buildings.

Ref. on Gt. No. ^{II} 278 dated 21st Feb. 1896

The Consulting Architect to Government
Madras.

Referred for favor of remarks.

2. In G. O. No. 2024 W. dated the 23rd
July 1891, it is distinctly stated that one of the
newly built quarters is intended for the
Apothecary of the Leper Hospital and as no
condition for the grant of rent is laid down,
the presumption is that it is given rent free
especially as resident apothecaries of hospitals
are always provided with public quarters
in or near their hospital - irrespective of
the fact whether they are military or civil
medical subordinates.

3. If, notwithstanding the above,
you still consider the sanction of Govern-
ment necessary, favor is requested of your
obtaining the same as suggested in your
letter No. 3357 dated the 25th November 1895
to the Superintendent, Leper Hospital

4. Return of correspondence is re-
quested.
