more temporary hands of H^eI Periyar
Du had to be retained for a few
days longer and I request that in
lieu of para 2 of the G.O above
referred to, sanction of Government
may be obtained for the employment
of the undermentioned Establish-

each -

2. Mr. Sears calculated on the
Division being completely wound up
by the 15th April, but as he remain-
ed in Periyar till the 26th March/96
and as almost the whole staff of
the Division fell ill, on their arrival
in Madras, his expectations have
not been realized and the final
