ENCLOSURES

one

Kurnool Magistrate's Office,

DATED KURNOOL 4th December 1895

FROM

C. M. Mulkaly Esq.,

DISTRICT MAGISTRATE OF
KURNOOL,

TO

THE Secretary to the Commissioners of

Land and Revenue

Madras

SIR,

I have the honor to request that sanction
of Government may be obtained for the con-
struction of a Deputy Tahildar's
residence design

Copy of letter N^o 313 D 28th January 1896
from the Sub Divisional Officer
Head Quarters Sub Division.

I beg to submit herewith the
sketch plan of the Deputy Tahildar's
Cutcherry at Attamathur called for
in your N^o 4399
23-1-96, and to report
that the building is a substantial
one with stone in Channam walls,
terraced roofing, teak wood posts,
beams and joists and flapped floor,
but with its low roof, thick posts
(1 ft diam^{ts}) set close together, heavy
Corbels & beams it is well depicted
by the term used in regard
to the building by the Collector
is "Chavadi".

I have considered whether it
may not be made the nucleus of

of an important building, but
owing to the want of room in the
building itself and in its sur-
roundings I have found this
not possible.

The building faces north i.e. the
entrance is from that side. On
the north and west sides are public
roadways. On the east side is the
Local Fund dispensary: there being
a space of only 20 feet between
the Out-Patient's room shown on
the plan herewith sent and the front
of the main building of the Dispen-
sary. On the south side is also
a public Roadway 37 feet from
the back of the Cutcherry. This
is the only side on which an
extension can be made and the
space available measures $54'-9"$
 $\times 37'-0"$ which is just enough for

a latrine and a cookroom for
prisoners, which according to present
ideas are also absolutely necessary.

There are no out-houses belonging
to the Cutcherry, and if the Dy.
Sahibdar and others have to answer
the calls of nature they have to
return to their homes.

The Cutcherry with some altera-
tions to the rear part may be
made into a Sub-Registrar's office.

The Sub Registrar of Alwarthi
now holds his office in a hired
^{dwellling} building house.

ENCLOSURES. 1

Kurnool Collector's Office.

KURNOOL, DATED 15th February 1896.

From

C. M. Mulla Esquire
COLLECTOR OF KURNOOL.

To

THE SECRETARY TO THE Commissioners
of Land Revenue, Madras

Sir,

In reply to Board's reference on
General Reg. N^o 3097 dated 16th
December 1895, I have the honor
to forward copy of the Head Quarter
Sub Divisional officer's report
on the Deputy Tahsildar's office
at Atmakur, Nandikotkur Taluk
from which it will be seen that
the building is not fitted for a
Court, Sub jail, Police office &c
nor can it be suitably extended.
He suggests that it might be

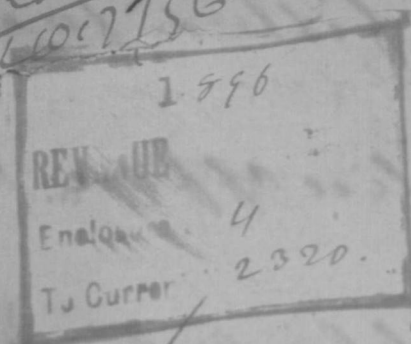

converted into a Sub Registrar's office which is at present located in a private rented building; in this I do not agree with him. It would be better to build a new office for the Sub Registrar, attached to the new Deputy Tahsildar's office and to hand over the present building to the hospital which is next door.

2. Under these circumstances, I request that the sanction sought for in this office A.C. No. 674 of 95 ^{Magh} 4-12-95 for the construction of a new Deputy Tahsildar's office on the standard design may be ^{early} obtained.

I have the honor to be,

Sir,

Your most obedient Servant
