Military Works Department,

Simla, the 9th. March 1896.

From

The Director General of Military Works in India,

To

The Secretary to the Government of Madras,

Public Works Department,

Sir,

I have the honour to forward for the information of His Excellency the Governor in Council and for favour of necessary action the following extracts from the Annual Certificate on the condition of fort St: Angelo, Cannanore, for 1896, inspected under paragraph 204 C Army Regulations India, Volume II, section V:-

1. South West and North East faces. The foot of the laterite rock of the Revetments is being undermined and requires underpinning in places before the monsoon.

2. Draw-Bridges. The woodwork of that over East face ditch should be renewed.

3. Small Arms Ammunition Magazine. The end windows should be barred as they are easily accessible.
