Sir,

Enclosures.

I have the honour to point out that the meaning of the last part of Para 1. of G. O No: 564 W. dated 14th February 1896 is not quite clear. When I first read it I took it to mean that charges for supplying and watering Tatties were to be allowed only at those stations in the Bellary, Cuddapah and Kurnool Districts at which they are found to be absolutely necessary, and I wondered why the 3 hottest Districts in the Presidency should be selected for this restriction.

2. But it has since been pointed out to me that it means that such charges are to be restricted to those 3 Districts, and disallowed elsewhere. If this is the case

I would suggest the omission of the
last sentence from "at which" to "necessary",
which is somewhat misleading.
I request the favour of further information
in the subject

PUBLIC DEPARTMENT.

Order—No. 335, Public, dated 10th March 1896.

Under the authority given in Resolution of the Government of India, No. 2544, Finance and Commerce Department, dated 23rd May 1890, recorded in G.O., No. 429, Financial, dated 13th June 1890, the Government is pleased to lay down the following scale of warm clothing and maximum expenditure on it for the menial establishments that accompany the Secretariat offices to Ootacamund :—

Annual for Peons.

One pair of boots	3	4	0
Five yards of flannel	3	4	0
Two pairs of socks	0	12	0

or an annual expenditure per head of Rs. 20.

2. In addition to the above, each peon will be provided with a great coat once in five or six years as becomes necessary through fair wear and tear. Chobdars and duffadars will receive the same articles with the exception that the warm coat and belt will be trimmed with gold lace as at present; and they will also receive a superior class of turban. The maximum cost of these two articles will be fixed at Rs. 50 and Rs. 5–8–0, respectively.

3. Attenders, maties and muchis will be provided with clothing on the scale fixed for peons, but instead of a *red* serge suit, they will receive a *black* serge suit biennially at a cost not exceeding Rs. 10.

4. Heads of departments of the Secretariat are requested to arrange for the warm clothing being stored during the time the peons are in Madras as indicated in Appendix B to G.O., No. 26, Public, dated 13th January 1894. The suits that have already been in wear for two years should be issued to peons for wear when off duty. The new ones should be worn only when actually on duty and should therefore last for two seasons without much apparent deterioration.

5. This order will have immediate effect.
