Resolution.—Consequent on the transfer of the province of Burma from the Bengal to the Madras Military Command, it was proposed in July 1892 by His Excellency the Commander-in-Chief in India that all non-commissioned officers who might hereafter join the Public Works Department for service in Burma should be placed on the Unattached list of the Madras Presidency, and further that, on the next revision of the scale of warrants, the non-commissioned officers of the Public Works Department serving in Burma being then borne on the Bengal list, and not yet promoted to the warrant grades, should be transferred to the Madras Public Works list, the sanctioned establishment of which might be revised. The Government of India, however, preferred not to make any change at the time, and deferred consideration of the proposals until after the warrant establishments of the Public Works Department had been revised. It was decided in 1895 when that revision, under the sanction of the Secretary of State, took place, that for the future all non-commissioned officers posted on first joining the department to Burma should be borne on the Madras Unattached list. It has now been decided, in communication with the Government of Madras, to transfer all the honorary commissioned, warrant and non-commissioned officers of the Burma Provincial list to the Madras Unattached list. The transfer will be carried out with effect from the 1st November 1895.

2. The total number of honorary commissioned, warrant and non-commissioned officers on the above date so transferred is 25, holding military rank as noted below (see appended list) :—

3. In order to provide a suitable cadre for the promotion of the honorary commissioned, warrant and non-commissioned officers on the Madras list, His Excellency the Governor-General has decided that the number of warrants for that list shall be increased from 21 to 28, and that the number for the Bengal list shall be correspondingly reduced from 59 to 52. The distribution of the appointments under the revised scales in the several grades will be as follows :—

RESOLUTION.—Consequent on the transfer of the province of Burma from the Bengal to the Madras Military Command, it was proposed in July 1892, by His Excellency the Commander-in-Chief in India that all non-commissioned officers who might hereafter join the Public Works Department for service in Burma should be placed on the Unattached List of the Madras Presidency, and further that on the next revision of the scale of warrants, the non-commissioned officers of the Public Works Department serving in Burma, being then borne on the Bengal list, and not yet promoted to the warrant grades, should be transferred to the Madras Public Works List, the sanctioned establishment of which might be revised. The Government of India, however, preferred not to make any change at the time, and deferred consideration of the proposals until after the Warrant Establishments of the Public Works Department had been revised. It was decided in 1895 when that revision, under the sanction of the Secretary of State, took place, that for the future all non-commissioned officers posted on first joining the Department to Burma should be borne on the Madras Unattached List. It has now been decided, in communication with the Government of Madras, to transfer all the honorary commissioned, warrant, and non-commissioned officers of the Burma Provincial List to the Madras Unattached List. The transfer will be carried out with effect from the 1st November 1895.
