CHIEF SECRETARIAT, MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Inspector-General of Registration, Madras, dated 15th February 1896, I. № 567.

The Executive Engineer — Coimbatore Division suggests that the compound wall round the Bhavani Sub-registrar's office should be reconstructed as the present mud wall is in a ruined condition and does not prevent cattle from straying into the compound, and as further a substantial wall is necessary as a protection against water getting into the compound during high floods in the rivers Cauvery and Bhavani. I have accordingly, the honor to request, that Government may be pleased to sanction under G. № 1994 W Public Works, dated 13th August 1894, the preparation by the Public Works department of an estimate for the work, the cost of which is roughly estimated at Rs 700.

Order

P.W. 25.
1,000—13-10-96.

Order № 558 dated 18th March 1896.

Orders will accordingly be issued in the Public Works Department for the preparation of plans and estimates. The expenditure proposed should however be, if possible, reduced.
