GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—again the following papers :—

G.O., No. 808, Financial, dated 21st August 1893.

Abstract.—Sanctioning, with remarks, certain charge allowances to medical subordinates in independent medical charge of hospitals and dispensaries.

G.O., No. 188, Financial, dated 5th March 1894.

Abstract.—Stating that, so far as hospital assistants are concerned, one rate of charge allowance should be fixed for all hospitals, a local allowance being added, where necessary, to compensate for the unhealthiness or dearness of the locality, and directing the Surgeon-General to forward a list of the institutions to which on this principle local allowances should be attached.

G.O., No. 541, Financial, dated 16th July 1894.

Abstract.—Referring to the Collectors concerned for remarks list of hospitals or dispensaries to which, in the opinion of the Surgeon-General, local allowances should be attached to compensate for the unhealthiness or dearness of the locality.

G.O., No. 56, Financial, dated 21st January 1895.

Abstract.—Passing orders regarding the grant of local allowances to hospital assistants attached to certain institutions.

Read—also the following papers :—

From Surgeon-Major-General C. SIBTHORPE, f.r.c.p.i., Surgeon-General with the Government of Madras, to the Chief Secretary to Government (through the Accountant-General), dated Ootacamund, 30th August 1895, No. 671-T.

With reference to your memorandum No. 1849, Financial, dated the 9th August 1895, I have the honour to return the lists of charge and local allowances duly verified.

2. The medical subordinate attached to the Collector's establishment, Cuddapah, is only granted a charge allowance of Rs. 10, but no local allowance. Accordingly, the entry against his name has been struck out from the list.

3. The item, Pedda Kimedi, in the Ganjám district, is struck out from the list as there is no station by the name in the district.

4. The list as it stands is correct and there appears to be no necessity to transfer any of the items from Appendix A to B, as there are no appointments included in A, for which only local allowances are sanctioned.

From F. C. HARRISON, Esq., Officiating Accountant-General, Madras, to the Chief Secretary to Government, dated 4th October 1895, No. 2741.

I have the honour to forward Surgeon-General's letter, No. 671-T., dated 30th August 1895, returning lists of charge and local allowances of dispensaries duly verified, and to make the following observations with reference to the lists.

List A.

South Arcot.—Vattavalam dispensary is not borne on the books of this office as an institution drawing a provincial grant.

South Canara.—Sullya should be substituted for Jalsur (*vide* G.O., No. 1859 L., Mis., dated 24th August 1893).

Chingleput.—*Pulicat* should be added under "Local Funds" (G.O., No. 965 L., dated 23rd April 1892). The dispensaries at Sembium, Pallur and Wallajabad are not bonre on the Audit registers of this office.

Coimbatore.—*Hanur* should be included in the list under "Local Funds" (*vide* G.O., No. 587, Financial, dated 14th August 1895). The dispensaries at *Mulanur* and *Shanballi* have been closed and should be removed from the list.

Cuddapah.—The hospital assistant attached to the Jail hospital draws both local and charge allowance (Rs. 10 + 10)—*vide* G.O., No. 68, Judicial, dated 15th January 1894. The municipal dispensary at Cuddapah is not borne on the books of this office as an institution drawing provincial grant.

Gódávari.—Narasapur, Ellore, Bhadráchalam, Polavaram, Chodavaram and the Special Assistant Agent's establishment are the only dispensaries borne on this office books. *Sitaramapuram* has been wrongly shown in the list under Gódávari instead of under Vizagapatam.

Kurnool.—Erragundapoliem and the Jail hospitals have been abolished and should be removed from the list. Giddalur and Mundlapad should be bracketed (*vide* G.O., No. 808, Financial, dated 21st August 1893). The municipal dispensary, Kurnool, is not borne on this office registers.

Madura.—The charge allowance sanctioned in G.O., No. 808, Financial, dated 21st August 1893, for the dispensaries at Andipatti, Aruppukóttai, Butlagundu, Kamudi, Kílakarai, Mánámadurai, Mudukulattur, Nattam, Tiruppattúr, Tiruppuvanam, Tiruvadánai, Védasandúr and Vellanadai is only Rs. 5. Locally-trained hospital assistants are attached to the dispensaries and are allowed charge allowance at the rates sanctioned in G.O., No. 2088, Local and Municipal, dated 6th November 1888.

Malabar.—The dispensary at Tirupurayur is not borne on the books of this office.

Nellore.—"All district board hospitals and dispensaries." As these are exclusively in charge of locally-trained men, the charge allowance does not appear to have been specified in their cases in G.O., No. 808, Financial, dated 21st August 1893. They still continue to be held by such men who draw the special rates of charge allowance sanctioned in G.O., No. 1027, Financial, dated 18th October 1893.

Nilgiri.—*Devala* dispensary has been closed (*vide* G.O., No. 615 L., dated 22nd March 1893). It should therefore be omitted.

Tanjore.—*Gandarvakóttai* should be inserted under "Local Funds" (*vide* G.O., No. 256, Financial, dated 2nd April 1894). The municipal dispensary at Kumbakónam is in charge of an apothecary who draws charge allowance according to his standing (G.O., No. 808, Financial, dated 21st August 1893).

Tinnevelly.—*Sérmádévi* should be included in the list (*vide* G.O., No. 1194, Local and Municipal, dated 19th May 1891).

Ettiyapuram, Idaiyangudi, Tirukurungudi, Virakeralampudur, and the Tinnevelly municipal dispensary are not borne on the books of this office.

Vizagapatam.—The hospital assistant attached to the *Head* Assistant Collector, and not to the *Principal* Assistant Collector, draws a charge allowance of Rs. 10. The list should be amended accordingly.

The entries in list *B* need no alterations.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government (through the Accountant-General), dated Madras, 26th September 1895, No. 417.

In continuation of my letter No. 671-T., dated the 30th August 1895, I have the honour to request that the name of the hospital assistant attached to the Collector's establishment, Cuddapah, may be included in the list of local allowances, as from G.O., No. 56, Financial, dated 21st January 1895, he has been granted a local allowance of Rs. 10 per mensem by Government on the recommendation of the Collector.

From F. C. HARRISON, Esq., Officiating Accountant-General, Madras, to the Chief Secretary to Government, dated 24th October 1895, No. 2923.

In forwarding herewith letter from the Surgeon-General, No. 417, dated 26th September 1895, I have the honour to explain that the omission of local allowance against the name of the hospital assistant attached to the Cuddapah Collectorate, in the list of dispensaries carrying local and charge allowances submitted to Government with Surgeon-General's letter No. 671-T., dated 30th August 1895, was not noticed in my letter, No. 2741 of 4th October 1895, as the Surgeon-General had previously explained to this office that the local allowance of Rs. 10 sanctioned to the hospital assistant in G.O., No 56, Financial, dated 21st January 1895, was in lieu of, and not in addition to, the charge allowance of Rs. 10 mentioned in G.O., No. 808, Financial, dated 21st August 1893.

On receipt of the present letter, I made a reference to the Surgeon-General on the subject, who in reply now informs me that the hospital assistant is entitled to the two allowances, *i.e.*, charge, as well as local allowance sanctioned in the orders of Government above referred to.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 6th February 1896, No. 85.

With reference to memorandum, No. 54, Financial, dated the 10th January 1896, I have the honour to state that the first list received with memorandum, No. 1849, Financial, dated the 9th August 1895, was carefully checked in this office in accordance with the orders of Government received from time to time on the subject of charge allowance.

2. As regards the points now raised by the Accountant-General, I beg to subjoin the following explanation:—

South Arcot—Vettavalam dispensary.
Malabar—Tirupuraiyur dispensary.
} The inclusion of these dispensaries was sanctioned in G.Os., Nos. 231 and 808, Financial, dated the 20th March 1894 and 21st August 1893, respectively. The dispensaries, though not borne on the books of the Accountant-General as institutions drawing a provincial grant, were considered necessary to be included in the list to determine the rate of charge allowance admissible to Government medical subordinates when placed in such charges either permanently or temporarily.

Cuddapah and Kurnool.—The hospital assistants attached to the municipal dispensaries at Cuddapah and Kurnool are not entitled to charge allowance of Rs. 10 as they perform their duties under the direct control and supervision of the District

Medical and Sanitary Officers, but a local allowance of Rs. 10 under G.O., No. 1520, Public, of 14th November 1881. These two items are struck out from Appendix A, and the entry against Cuddapah and Kurnool in Appendix B has been modified thus:—

"Hospital assistants attached to the municipal hospitals at Cuddapah and Kurnool and those doing duty under the District Medical and Sanitary Officers whether employed at head-quarters or detailed for service in the interior of the district".

Gódávari.—The other dispensaries not mentioned by the Accountant-General were included in G.O., No. 808, Financial, dated the 21st August 1893, on the authority quoted against each. The dispensary at Setaramapuram was included in the list as per G.O., No. 240, Financial, dated the 15th March 1895, but, as it does not appear to have been opened, it may be omitted.

Madura.—The allowance for the dispensaries at Andipatti, Aruppukóttai, Butlagundu, Kamudi, Kílakarai, Mánámadurai, Mudukulattúr, Nattam, Tiruppattúr, Tiruppuvanam, Tiruvádánai, Védasandúr and Vallanadi was fixed at Rs. 10 on the strength of G.O., No. 188, Financial, dated the 5th March 1894, to enable the local authorities to determine the rate of allowance for Government medical subordinates when employed there owing to local transfers.

Nellore.—All the district board hospitals and dispensaries have been omitted as these are exclusively in charge of locally-trained men who have alone been hitherto posted to such charges.

Tanjore.—Kumbakónam is now in charge of a civil apothecary. It was considered necessary to retain the item in the list as men of hospital assistants' class are sometimes temporarily posted to such charges during leave, &c., of the permanent incumbents.

Tinnevelly.—Sérmádévi is now in charge of a Government hospital assistant. It may be retained in the list. Ettiyapuram, Idaiyangudi, Tirukarangudi, Verakeralampudur and Tinnevelly were included in G.O., No. 808, Financial, dated the 21st August 1893, on the authority quoted against each. These items may be kept on the list—*vide* remarks against South Arcot, Malabar and Madura.

As regards the retention of a few dispensaries which were closed, the local bodies are sometimes in the habit of closing their dispensaries for short periods for want of funds and re-open them when their finances improve. To avoid, therefore, the necessity of fresh sanction being again obtained from time to time in such cases it was considered desirable to let them remain in the list.

Chingleput.—The dispensaries at Sembiam, Pálúr and Walajabad are not in existence.

2. On comparing the list with Statement V of the Civil Dispensary report, I regret that the latter differs from the list in some cases, which were due to errors partly caused by the misplacement of symbols and partly attributable to faulty checking in my office. The clerk who drew up the statement has since been pensioned, as he was found quite unfit for the work entrusted to him. This statement is drawn up in the statistical branch of this office from the annual returns submitted by District Medical and Sanitary Officers and Civil Surgeons.

3. The list is herewith returned duly corrected.

Order—No. 158, Financial, dated 11th March 1896.

The appendices to these Proceedings contain the following lists revised up to date:—

(1) Subordinate medical charges to which a charge allowance of Rs. 10 is attached, together with the local allowances which have been sanctioned in special cases;

(2) charges to which local allowances *alone* are attached.

2. With reference to his remarks in regard to the charge allowances drawn by *Local Fund* hospital assistants, *i.e.*, attached to certain dispensaries in Madura * and Nellore,† the Accountant-General will be informed that G.O., No. 188, Financial, dated 5th March 1894, fixing a uniform rate of charge allowance (Rs. 10), applies only to the cases of *Government* hospital assistants and does not affect any arrangement by which hospital assistants trained at the charge of local funds draw charge allowance according to their standing.

* G.O., No. 2088, L., dated 6th November 1888.

† G.O., No. 1027, Financial, dated 18th October 1893.

(True Extract.)

for *Chief Secretary.*

Medical and Sanitary Officers, but a local allowance of Rs. 10 under G.O., No. 1520, Public, of 14th November 1881. These two items are struck out from Appendix A, and the entry against Cuddapah and Kurnool in Appendix B has been modified thus:—

"Hospital assistants attached to the municipal hospitals at Cuddapah and Kurnool and those doing duty under the District Medical and Sanitary Officers whether employed at head-quarters or detailed for service in the interior of the district".

Gódávari.—The other dispensaries not mentioned by the Accountant-General were included in G.O., No. 808, Financial, dated the 21st August 1893, on the authority quoted against each. The dispensary at Setaramapuram was included in the list as per G.O., No. 240, Financial, dated the 15th March 1895, but, as it does not appear to have been opened, it may be omitted.

Madura.—The allowance for the dispensaries at Andipatti, Aruppukóttai, Butlagundu, Kamudi, Kílakarai, Mánámadurai, Mudukulattúr, Nattam, Tiruppattúr, Tiruppuvanam, Tiruvádánai, Védasandúr and Vallanadi was fixed at Rs. 10 on the strength of G.O., No. 188, Financial, dated the 5th March 1894, to enable the local authorities to determine the rate of allowance for Government medical subordinates when employed there owing to local transfers.

Nellore.—All the district board hospitals and dispensaries have been omitted as these are exclusively in charge of locally-trained men who have alone been hitherto posted to such charges.

Tanjore.—Kumbakónam is now in charge of a civil apothecary. It was considered necessary to retain the item in the list as men of hospital assistants' class are sometimes temporarily posted to such charges during leave, &c., of the permanent incumbents.

Tinnevelly.—Sérmádévi is now in charge of a Government hospital assistant. It may be retained in the list. Ettiyapuram, Idaiyangudi, Tirukarangudi, Verakeralampudur and Tinnevelly were included in G.O., No. 808, Financial, dated the 21st August 1893, on the authority quoted against each. These items may be kept on the list—*vide* remarks against South Arcot, Malabar and Madura.

As regards the retention of a few dispensaries which were closed, the local bodies are sometimes in the habit of closing their dispensaries for short periods for want of funds and re-open them when their finances improve. To avoid, therefore, the necessity of fresh sanction being again obtained from time to time in such cases it was considered desirable to let them remain in the list.

Chingleput.—The dispensaries at Sembiam, Pálúr and Walajabad are not in existence.

2. On comparing the list with Statement V of the Civil Dispensary report, I regret that the latter differs from the list in some cases, which were due to errors partly caused by the misplacement of symbols and partly attributable to faulty checking in my office. The clerk who drew up the statement has since been pensioned, as he was found quite unfit for the work entrusted to him. This statement is drawn up in the statistical branch of this office from the annual returns submitted by District Medical and Sanitary Officers and Civil Surgeons.

3. The list is herewith returned duly corrected.

ORDER—No. 158, Financial, dated 11th March 1896.

The appendices to these Proceedings contain the following lists revised up to date:—

(1) Subordinate medical charges to which a charge allowance of Rs. 10 is attached, together with the local allowances which have been sanctioned in special cases;

(2) charges to which local allowances *alone* are attached.

APPENDIX A.

List of subordinate medical charges to which a charge allowance of Rs. 10 is attached when Government hospital assistants are in independent charge, together with the local allowances where such have been sanctioned.

No. 158, Financial, 11th March 1896.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—again the following papers :—

G.O., No. 808, Financial, dated 21st August 1893.

Abstract.—Sanctioning, with remarks, certain charge allowances to medical subordinates in independent medical charge of hospitals and dispensaries.

G.O., No. 188, Financial, dated 5th March 1894.

Abstract.—Stating that, so far as hospital assistants are concerned, one rate of charge allowance should be fixed for all hospitals, a local allowance being added, where necessary, to compensate for the unhealthiness or dearness of the locality, and directing the Surgeon-General to forward a list of the institutions to which on this principle local allowances should be attached.

G.O., No. 541, Financial, dated 16th July 1894.

Abstract.—Referring to the Collectors concerned for remarks list of hospitals or dispensaries to which, in the opinion of the Surgeon-General, local allowances should be attached to compensate for the unhealthiness or dearness of the locality.

G.O., No. 56, Financial, dated 21st January 1895.

Abstract.—Passing orders regarding the grant of local allowances to hospital assistants attached to certain institutions.

Read—also the following papers :—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government (through the Accountant-General), dated Ootacamund, 30th August 1895, No. 671-T.

With reference to your memorandum No. 1849, Financial, dated the 9th August 1895, I have the honour to return the lists of charge and local allowances duly verified.

2. The medical subordinate attached to the Collector's establishment, Cuddapah, is only granted a charge allowance of Rs. 10, but no local allowance. Accordingly, the entry against his name has been struck out from the list.

3. The item, Pedda Kimedi, in the Ganjám district, is struck out from the list as there is no station by the name in the district.

4. The list as it stands is correct and there appears to be no necessity to transfer any of the items from Appendix A to B, as there are no appointments included in A, for which only local allowances are sanctioned.

From F. C. HARRISON, Esq., Officiating Accountant-General, Madras, to the Chief Secretary to Government, dated 4th October 1895, No. 2741.

I have the honour to forward Surgeon-General's letter, No. 671-T., dated 30th August 1895, returning lists of charge and local allowances of dispensaries duly verified, and to make the following observations with reference to the lists.

List A.

South Arcot.—Vattavalam dispensary is not borne on the books of this office as an institution drawing a provincial grant.

South Canara.—Sullya should be substituted for Jalsur (*vide* G.O., No. 1859 L., Mis., dated 24th August 1893).

Chingleput.—*Pulicat* should be added under "Local Funds" (G.O., No. 965 L., dated 23rd April 1892). The dispensaries at Sembium, Pallur and Wallajabad are not bonre on the Audit registers of this office.

Coimbatore.—*Hanur* should be included in the list under "Local Funds" (*vide* G.O., No. 587, Financial, dated 14th August 1895). The dispensaries at *Mulanur* and *Shanballi* have been closed and should be removed from the list.

Cuddapah.—The hospital assistant attached to the Jail hospital draws both local and charge allowance (Rs. 10 + 10)—*vide* G.O., No. 68, Judicial, dated 15th January 1894. The municipal dispensary at Cuddapah is not borne on the books of this office as an institution drawing provincial grant.

Gódávari.—Narasapur, Ellore, Bhadráchalam, Polavaram, Chodavaram and the Special Assistant Agent's establishment are the only dispensaries borne on this office books. *Sitaramapuram* has been wrongly shown in the list under Gódávari instead of under Vizagapatam.

Kurnool.—Erragundapoliem and the Jail hospitals have been abolished and should be removed from the list. Giddalur and Mundlapad should be bracketed (*vide* G.O., No. 808, Financial, dated 21st August 1893). The municipal dispensary, Kurnool, is not borne on this office registers.

Madura.—The charge allowance sanctioned in G.O., No. 808, Financial, dated 21st August 1893, for the dispensaries at Andipatti, Aruppukóttai, Butlagundu, Kamudi, Kílakarai, Mánámadurai, Mudukulattur, Nattam, Tiruppattúr, Tiruppuvanam, Tiruvadánai, Védasandúr and Vellanadai is only Rs. 5. Locally-trained hospital assistants are attached to the dispensaries and are allowed charge allowance at the rates sanctioned in G.O., No. 2088, Local and Municipal, dated 6th November 1888.

Malabar.—The dispensary at Tirupurayur is not borne on the books of this office.

Nellore.—"All district board hospitals and dispensaries." As these are exclusively in charge of locally-trained men, the charge allowance does not appear to have been specified in their cases in G.O., No. 808, Financial, dated 21st August 1893. They still continue to be held by such men who draw the special rates of charge allowance sanctioned in G.O., No. 1027, Financial, dated 18th October 1893.

Nilgiri.—*Devala* dispensary has been closed (*vide* G.O., No. 615 L., dated 22nd March 1893). It should therefore be omitted.

Tanjore.—*Gandarrakóttai* should be inserted under "Local Funds" (*vide* G.O., No. 256, Financial, dated 2nd April 1894). The municipal dispensary at Kumbakónam is in charge of an apothecary who draws charge allowance according to his standing (G.O., No. 808, Financial, dated 21st August 1893).

Tinnevelly.—*Sírmádéi* should be included in the list (*vide* G.O., No. 1194, Local and Municipal, dated 19th May 1891).

Ettiyapuram, Idaiyangudi, Tirukurungudi, Virakeralampudur, and the Tinnevelly municipal dispensary are not borne on the books of this office.

Vizagapatam.—The hospital assistant attached to the *Head* Assistant Collector, and not to the *Principal* Assistant Collector, draws a charge allowance of Rs. 10. The list should be amended accordingly.

The entries in list *B* need no alterations.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government (through the Accountant-General), dated Madras, 26th September 1895, No. 417.

In continuation of my letter No. 671-T., dated the 30th August 1895, I have the honour to request that the name of the hospital assistant attached to the Collector's establishment, Cuddapah, may be included in the list of local allowances, as from G.O., No. 56, Financial, dated 21st January 1895, he has been granted a local allowance of Rs. 10 per mensem by Government on the recommendation of the Collector.

From F. C. HARRISON, Esq., Officiating Accountant-General, Madras, to the Chief Secretary to Government, dated 24th October 1895, No. 2923.

In forwarding herewith letter from the Surgeon-General, No. 417, dated 26th September 1895, I have the honour to explain that the omission of local allowance against the name of the hospital assistant attached to the Cuddapah Collectorate, in the list of dispensaries carrying local and charge allowances submitted to Government with Surgeon-General's letter No. 671-T., dated 30th August 1895, was not noticed in my letter, No. 2741 of 4th October 1895, as the Surgeon-General had previously explained to this office that the local allowance of Rs. 10 sanctioned to the hospital assistant in G.O., No 56, Financial, dated 21st January 1895, was in lieu of, and not in addition to, the charge allowance of Rs. 10 mentioned in G.O., No. 808, Financial, dated 21st August 1893.

On receipt of the present letter, I made a reference to the Surgeon-General on the subject, who in reply now informs me that the hospital assistant is entitled to the two allowances, *i.e.*, charge, as well as local allowance sanctioned in the orders of Government above referred to.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 6th February 1896, No. 85.

With reference to memorandum, No. 54, Financial, dated the 10th January 1896, I have the honour to state that the first list received with memorandum, No. 1849, Financial, dated the 9th August 1895, was carefully checked in this office in accordance with the orders of Government received from time to time on the subject of charge allowance.

2. As regards the points now raised by the Accountant-General, I beg to subjoin the following explanation :—

South Arcot—Vettavalam dispensary.
Malabar—Tirupuraiyur dispensary.
} The inclusion of these dispensaries was sanctioned in G.Os., Nos. 231 and 808, Financial, dated the 20th March 1894 and 21st August 1893, respectively. The dispensaries, though not borne on the books of the Accountant-General as institutions drawing a provincial grant, were considered necessary to be included in the list to determine the rate of charge allowance admissible to Government medical subordinates when placed in such charges either permanently or temporarily.

Cuddapah and Kurnool.—The hospital assistants attached to the municipal dispensaries at Cuddapah and Kurnool are not entitled to charge allowance of Rs. 10 as they perform their duties under the direct control and supervision of the District
