CHIEF SECRETARIAT MADRAS

Memorandum. No 660

~~Read the following~~

The Secretary, Public Works Department, is requested to be so good as to depute a competent officer to examine some walls in the northern room of the ground floor of the Secretariat with a view to advising whether they may be removed with safety, and, if so, of arranging for the work being carried out. It is believed that these walls were erected some few years ago to form a washing room for the use of the Government Press.
