Copy of letter from the
Executive Engineer, Maddur
Division, to the Superintending
Engineer, 3rd Circle, dated 28 March 96,
No. 2820.

With reference to para 3 of
G.O. No 227 I. dated 5th March 1896,
communicated with your endorse-
ment No. 3937 dated 19th Idem, I
have the honor to report that the
delay in applying for sanction
to the process was due to the following
reasons.

The work was carried out by
the Madanapalle Sub Divisional
Officer and was completed in Feb 94
just at this time there was a change
of Accountants in my office, and
shortly afterwards the Madanapalle
Sub Division was abolished. The
new Accountant found it very
difficult to hunt up the details of
the processes from among the old
records

records, and I know spent a lot
of time in fruitless search before
he found the information he
required.
