[illegible] interest by the Travancore Government and the Steady sluice establishment be allowed on any pretext to navigate the lake. By thus preventing the removal of logs by water the Travancore contractors will at all events be limited in their trespasses to the Shenkotta side of the lake in the immediate vicinity of the road.

6. There is a considerable quantity of timber involved, which will be required to be hereafter both for the maintenance of the buildings, floating plant and sluices, and for fuel for the launch.

7. There is but one more point in connection with this matter on which I would ask permission to add a word. The lease grants to Government "the immediate vicinity" of the lake to be retained for the 999 years. It is not stated that this 100 yards is necessarily to be in one block, and as it must from the first have been foreseen that [illegible]
