W. CURRENT No. 4229

Under the rules in Public Works Department Code Volume II, Chapter V, paragraph 35 VIII, the outlay on the works in question should be charged to 43 Minor Works and Navigation Provincial. I am to request therefore that the incidence of the cost of the estimate may be altered accordingly.

I have the honour to be,

Sir,

Your most obedient servant,

To

The Secretary to the Government of Madras,

Public Works Department.

Simla, the 29th April 189

Sir,

I am directed to acknowledge the receipt of the Proceedings of the Government of Madras, No.136 I., dated the 6th February 1896, copy forwarded under your No.137 I. of the same date, containing the sanction of the Local Government to an estimate, amounting to Rs.2,700, including percentages on account of Establishment and Tools and Plant, for constructing a scouring sluice in the right bank of the Barur Tank supply channel and excavating a channel to the river, chargeable to the Open Capital Account of the Barur Tank Project under head of account 49.

2. With reference thereto, I am to point out that the financial results of the Barur Tank Project to end of 1894-95 are as follows:-

	Rs.	Rs.
Capital outlay to end of 1894-95		
Direct---------	3,96,980	
Indirect-------	22,733	
Total----------		4,19,
Add Unpaid balance of interest up to 1893-94----------		1,23,
Sum at charge		5,43,
Percentage of net revenue on sum-at-charge		0•95

These results show that the project has failed to fulfil the conditions of a Productive Public Work, and therefore
