READ—the following paper:—

From T. CHICHELE-PLOWDEN, Esq., C.S.I., Resident at Hyderabad, to the Secretary to the Government of Madras, Public Works Department, Irrigation Branch, dated Hyderabad Residency, 27th May 1896, No. 3002.

I have the honour to refer to your letter No. 291 I., dated the 24th March 1896, forwarding a copy of the Proceedings of the Madras Government, No. 290 I. of the same date, embodying the resolutions passed by the committee appointed to settle matters connected with the water-supply to the Lingasamudram tank in the Gódávari district.

2. I now forward herewith, for the information of the Government of Madras, an English translation of a ruka No. 1123, dated the 14th May 1896, and of its enclosures, received from His Highness the Nizam's Minister on the subject, stating that His Highness' Government are prepared to carry out the proposals made by the Joint Committee.

ENCLOSURES.

TRANSLATION of a ruka from His Highness the Nizam's Minister, to the Resident at Hyderabad, dated 14th May 1896, No. 1123.

With reference to your rukas noted on the margin regarding the supply of water to the Lingasamudram tank, I have the honour to forward for your information a copy of a communication from the Board of Revenue, No. 149, dated the 25th Zehada, 1313 H., together with a copy of a resolution, and to state that His Highness' Government are prepared to carry out the proposals made by the Joint Committee.

No. 48, dated 13th January 1896.
No. 945, dated 29th April 1896.

COPY of a communication from the Secretary to the Board of Revenue, His Highness' Government, to the Secretary to the Minister, Mulki Dafter, No. 149, dated the 25th Zehada, 1313 H.

In reply to your rubkar No. 136, dated the 18th Isfandar, 1313 F., regarding the settlement of the dispute in connection with the Lingasamudram tank water-supply, I have the honour to inform you that, as desired in the Resident's ruka No. 48, dated the 13th January 1896, the district officials were instructed to attend the Committee of the British officers on the date fixed for the purpose, and to communicate to this office the decision that might be arrived at.

I forward herewith a copy of the decision of the officers of the two Governments, who had assembled at the spot on the 22nd February 1896. I beg you will kindly forward the copy of the said decision to the Resident with intimation that His Highness' Government are prepared to carry out the proposals made by the Joint Committee.

Proceedings of the Committee appointed to settle the water level of the Subhakunta tank in His Highness the Nizam's Dominions, and Lingasamudram tank water-supply, held at Tambure on 2nd February 1896.

Present:

1. J. E. Paul, Esq., Executive Engineer, Gódávari Western division.

2. M.R.Ry. K. Rustum Singh Garu, Rao Bahadur, Deputy Collector in charge of the Head Assistant Collector's Division, Gódávari.

3. Muncherjee Bazonjee, Esq., District Engineer, Nalgonda.

4. Md. Mushududdin, Esq., Asst. Commissioner of Survey and Settlement, Warangal District.

5. S. Habeebuddin, Esq., H.C.S., Officiating 2nd Talukdar, Warangal District.

1. It was resolved unanimously that the full tank level of the Subhakunta be reduced one foot below the platform of the present masonry sluice, and a masonry bye-wash be constructed by His Highness the Nizam's Government at the western end of the above-named tank.

2. It was unanimously resolved that if the ancient Tremmilera anicut be reconstructed and the feeding channel leading to the Lingasamudram tank be restored, the channel should not pass through the irrigable lands below the Subhakunta in His Highness the Nizam's Dominions, and with a view of any suggestions to be made by His Highness the Nizam's Government, the designs showing the alterations, if any, be sent to His Highness the Nizam's Government before undertaking the project by the British Government.

3. Resolved unanimously that no land in British Territory be irrigated in future by the Subhakunta tank water.

Order—No. 494 I., dated 12th June 1896.

Communicated to the Superintending Engineer, I Circle, who will give effect to the proposals of the Committee.

2. A copy of these proceedings will be forwarded to the Resident at Hyderabad for the information of His Highness the Nizam's Government.

Proceedings of the Committee appointed to settle the water level of the Subha Kunta Tank in His Highness the Nizam's dominions, and Linga Samaddaram Tank water supply held at Tamburu on 2nd February 1896.

Present

1. J. E. Paul Esquire, Executive Engineer Godavery Western Division
2. M. R. Ry. K. Ranganna Singh Garu Rao Bahadur, Deputy Collector in charge of the Head Assistant Collector's Division, Godaveri
3. Mukherjee Bazonjee Esqre, District Engineer Nalgonda.
4. Mushuddin Esqre, Assistant Commissioner of Survey and Settlement, Warangal District.
5. S. Habeebuddin Esqre H. C. S. Offg 2nd Talukdar, Warangal District.

---

1. It was resolved unanimously that the full tank level of the Subha Kunta be reduced one foot below the platform of the present masonry sluice, and a masonry bye

bye-wash be constructed by His High-
-ness the Nizam's Government at the
Western end of the above named
tank.

2. It was unanimously resolved
that if the ancient Iremmilera anicut
be reconstructed and the feeding
channel leading to the Lingasamudda-
-ram tank be restored, the channel
should not pass through the
irrigable lands below the Subba
Kunta in His Highness the Nizam's
dominions, and with a view of
any suggestions to be made by His
Highness the Nizam's Government,
the designs showing the alterations,
if any, be sent to His Highness
the Nizam's Government before under-
-taking the project by the British
Government.

3. Resolved unanimously
that no land in British
territory be irrigated in future
by the Subba Kunta tank water.
