J. Twigg Esquire
Collector of
Madura

To

The Secretary to Government
Public Works Department
Madras.

Sir.

I have the honor to state that there are 61 cases pending with the Deputy Collector Madura Division in which Compensation has yet to be settled with the owners of the lands taken up for the Periyar main and branch channels. The draft declarations in respect of these lands were published at various times and the rate of Compensation per acre to be given to the owners has been settled along with other similar lands. The only work remaining to be done is the taking of statements from such of the owners of the lands as may appear before the land acquiring officer as to their Consent or otherwise and the passing of awards

awards in all cases. This cannot be done by the General Deputy Collector Madura Division without considerable delay, for, the Amounts being small, the parties neglect to appear on notice given, and the only way of disposing of these cases is by a village to village visitation, for which the Madura Deputy Collector will have no leisure for some time to come.

2. The Special Deputy Collector for Periyar works is constantly touring in the villages concerned and will be able to speedily complete the pending cases. I have, therefor, the honor to request that Government will be pleased to authorise the Special Deputy Collector to do the work, as, without such a formal authorization, he cannot legally pass awards. A notification that all land acquisition cases in connection with Periar works now pending on the file of the General Deputy Collector Madura Division are transferred to the file of the Special Deputy Collector, who is authorized to perform the functions of a Collector under the Act and to take order for the acquisition of the lands, would, I think, be sufficient.

I have the honor to be,
Sir
Your most obd. Sert.
