G.O.	No.	Department.	Date.	G.O.	No.	Department.	Date.

Of the above work No.2 has to be struck out, it having been ex
executed

executed by the D.P.W. in 1895-96 apparently out of the amounts sanctioned for that Channel in Board's Proceedings Nos. 4838 and 1834.Mis., dated 13th September 1895 and 25th March 1896. And out of the 3rd item, Rs 330 has already been expended by the D.P.W. (in 1895-96) from the amount saved by short work in the case of two other works in this Channel spoken of paragraph 3 below. The amount needed in 1896-97 for this item is therefore only Rs.1,224.

3. Out of the estimates for Rs1,650 and 1,380 for improving the Ponneri Branch Channels Nos. II & III respectively, provided in the Budget for 1895-96 (Vide G.O. No. 846.Rev: dated 29-11-94) the D.P.W. actually spent only Rs1,254 and Rs1,116 last year, and the balance of work has therefore to be executed in the current year viz: for Rs396 & 264 respectively.

4. The D.P.W. also propose to clear the silt from the Uraiyar and Pandamangalam Branch Channels (under the Vyyakondan Channel) at a cost of Rs.200. This work also is necessary.

5. The D.P.W. ^{also} propose, with my approval, to construct a body wall to 1st surplus of Marudur Nattuvoikal at a cost of Rs500. The Tahsildar proposed to construct a sand slice with a view to work off the surplus balance at the credit of this Channel but on inspection the Executive Engineer considered it useless and proposed this work instead.

6. The allotments under the head in question, when revised as now solicited, would stand as follows:- There are ample funds at the credit of the necessary Channels for making these allotments, as shewn against each:-

<u>Channel.</u>	<u>Probable available balance even after deducting a reserve of 1 year's expenditure & all other expenditure contemplated or sanctioned.</u>
1. <u>Ponneri Channel.</u> -----	Rs.2,500.
Rs.1,224. (Vide para 2 above)	
" 396)	
" 264) (Vide para 3 above)	
Total.-----	Rs1,884.
2. <u>Marudur Nattuvoikal</u> -----	Rs.2,000
Rs.1150. (Vide para 2 above)	
" 500. (Vide para 5 above)	
Total.-----	Rs1,650.
3. <u>Vyyakondan Channel.</u> -----	Rs.1,482.
Rs200. (Vide para 4 above)	
Total-----	Rs3,734.

I request

I request that early orders may be issued to place this sum of Rs3,734 at the disposal of the D.P.W., as this is the best season of the year for carrying out the works. I am addressing the Superintending Engineer to start with the works in anticipation of sanction and beg that the Board will be pleased to approve of my action.

Resolution.

Submitted for the orders of Government.

2. The Board requests that the Budget provision of Rs2,800 under charges, under the Irrigation Cess Fund in the Trichinopoly District for the 1896-97, sanctioned in G.O. No. 828, Revenue, dated 20th December 1895, may be raised to Rs.3,734 to meet the increased allotment under some of the works proposed to be carried out by the Public Works Department during the Current year. The amount can be met from the funds at the credit of the Channels referred to by the Collector.

3. It is also requested that the Accountant-General may be authorised to place the sum, Viz, Rs3,734, after sanction, at the disposal of the Public Works Department.

4. The Collector's action referred to in the concluding paragraph of the letter read above is approved.

-----XXXXXXXXXXXX-----
O R D E R:-No.360, dated 4th June 1896.

The Accountant-General will be requested to place the sum of Rs(3,734)three thousand, seven hundred and thirty four, at the disposal of the Public Works Department from Irrigation Cess Funds.
