Enclosures

- 1. File of Estimate and Jayagondapatnam with report & amplification

Amount of Estimate Rs 500

- 1. Plan of Masonry work
- 1. Drawing of side plan

References. Ex: Engineers dt 1901 9-9-96 511 20-2-95
and 1118 22-4-95

3 Total

On the request of the petitioners and on the order of the Executive Engineer a double pipe aqueduct is proposed to be constructed across the Govraput channel to carry irrigation channel water from the branch channel of Rajah vorkal to Valliannals field in place of three palmyrah troughs now used for the purpose which are always damaged and washed away. Valliannal is willing to contribute 1/3 of the amount of estimate for his share -
