No. 900 W., 12TH MARCH 1896.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From the Director-General of Military Works in India, to the Joint Secretary to the Government of Madras, Public Works Department, dated Simla, the 6th March 1896, No. 638 B.

With reference to correspondence ending with your letter No. 3789 C., dated 2nd December 1895, and subsequent telegram, dated 13th December 1895, regarding the supply of self-registering maximum thermometers required for testing the magazines within your province during the ensuing hot season, I have the honour to request that to enable the instructions of the Government of India contained in my letter No. 2576 B., dated 30th August 1895, being carried out, the officers requiring the thermometers may be directed to indent for the eleven thermometers stated to be required by you on the Ordnance Department authorities at the Madras Arsenal, to which port the thermometers in question will be consigned, requesting them to supply the number stated "as soon as they are received from England".

2. I am informed by the Director-General of Ordnance in India that these thermometers, which have had to be procured from England, have not yet arrived; but this fact should not delay the submission of the indents (marked as directed in inverted comma " "), as it is desirable that, even if the testing cannot be commenced on 1st April next, it should be commenced as soon as possible after that date. To ensure this the Ordnance authorities have received instructions to supply them as soon as received.

ORDER—No. 900 W., dated 12th March 1896.

Communicated to officers concerned, with reference to their replies to G.O. No. 2288 W., dated 14th September 1895.

2. The eleven magazines for which thermometers are required are—

4 at Vizianagram.	1 at Malapuram.
1 at Berhampur.	1 at Calicut.
1 at Quilon.	2 at Trichinopoly.
1 at Trichúr.	

3. The indents prepared in the manner indicated, should be forwarded direct to Ordnance officer in charge of the Madras Arsenal.

Thermometers

Letter from the Director-General of Military Works requesting that officers be directed to indent on the Ordnance Department authorities at the Madras Arsenal for the eleven self-registering maximum — required for testing the magazines in the Madras Presidency during the ensuing hot season, communicated to officers concerned with remarks.

All communications to be addressed to the Director General of Military Works in India.

No. 639 B.

Military Works Department,
Simla, the 6th March 1896.

From

The Director General of Military Works in India,

To

The Secretary to the Government of Madras
Public Works Department,
Madras

Sir,

With reference to correspondence ending with your letter No. 3730-C dated 2nd. December 1895 and subsequent tel D/13.12.95 regarding the supply of self registering maximum thermometers required for testing the Magazines within your Province during the ensuing hot season, I have the honor to request that to enable the instructions of the Government of India contained in my letter No. 1040-C dated 30th. August 1895, being carried out the Officers requiring the thermometers may be directed to indent for the 11 thermometers stated to be required by you on the Ordnance Department Authorities at the Madras Arsenal, to which port the thermometers in question will be consigned, requesting them to supply the number stated "as soon as they are received from England".-

2. I am informed by the Director General of Ordnance in India that these thermometers, which have had to be procured from England, are not yet arrived; but I in fact should not delay the submission of the indents(marked as directed in inverted comma""), as it is quite likely that even if the testing cannot be commenced on 1st. April next it should be commenced as soon as possible after that date.
