CV^o 186 C dated 9th March 1896

The existing rate of rent Rs.10-8-0 fixed by the Government of India, vide G.O.No.699 W.dated 22nd.March 1895, was based on annual cost of repairs including percentage charges on both the buildings referred to, but as the Executive Engineer now states that only the old currency office at Calicut is being occupied by the Malabar Volunteer Rifles the proportionate rent of Rs.8 proposed by the Executive Engineer for the building is correct and may be approved by the Government.

Sir,
With reference to your Memo. No. 64 dated 8th February 1896, I have the honor to state that in G.O. No. 1255.D. dated 24th May 1895, Rs. 10-8-0 was fixed as rent to be recovered from the Malabar Volunteer Rifles for occupying the "old currency office in Calicut" and the "portion of the property room at Palghat." As only the former building is being occupied by the Malabar Volunteer Rifles, it was found necessary to make a deduction of rent on account of the vacant one, and accordingly Rs. 8 was charged for the old currency office in Calicut, which rate was arrived at, by taking the pro-portion between the normal rents of the buildings according to Code rules

(vide data statement). As the Engineer
P. & Accounts, Madras has been calling
for authority for the special rate of rent
Rs: 8), the data statement referred to
was submitted for obtaining sanction
of Government.

I have the honor to

Copy Communicated to the
Chief Engineer P. & A. with a request
that he will be good enough to obtain the
sanction of Government to the revised rate
of rents proposed to be charged to the build-
ings under reference. The required data
statement is herewith submitted.
