Government of India, Public Works Department, Resolution No. 2112 G., dated 19th July 1892.
Government of India, Public Works Department, Resolution No. 2615 G., dated 10th October 1893.
Article 141 A of the Civil Service Regulations.

Resolution.—The Government of India have had under consideration the question of the pay and allowances that should be admitted to officers of the Subordinate Engineer Establishment when officiating as Executive or Assistant Engineers in the Provincial Public Works Establishment.

2. Under the rule of the Civil Service Regulations (Article 142 (*a*)) as it stood before the introduction of the Provincial Engineer Establishment, Upper Subordinates appointed to officiate as Executive Engineers were entitled to an officiating allowance of Rs. 100 per mensem, provided the total salary, pay, and acting allowance did not exceed Rs. 600, which was the pay of an Executive Engineer, 4th grade, old scale of the Imperial Establishment.

3. Under the present rules, however, the acting allowance drawn must not exceed such an amount as would raise the total pay and acting allowance to the limit of Rs. 475, that being the pay of an Executive Engineer of the lowest grade in the Provincial Engineer Establishment.

4. As the pay of a Sub-Engineer, 1st grade (Rs. 400 per mensem), may rise after ten years' service in the grade to Rs. 500, it is evident that cases may arise in which promotion to the officiating rank of Executive Engineer will bring little or no increase of salary to correspond with the more onerous and responsible duties of the acting appointment.

5. The Governor-General in Council is, with the approval of Her Majesty's Secretary of State for India, pleased to rule that, when Upper Subordinates appointed to officiate as Executive or Assistant Engineers, are entitled, under the operation of

the Provincial Service rules, and Article 141 A., Civil Service Regulations, to acting allowances, not commensurate with their duties, increased allowances may be granted to them within the limit of the total emoluments they would have drawn when so promoted before the rules were changed; provided that for every officiating appointment so made a post of Executive or Assistant Engineer, as the case may be, in the sanctioned scale of the Engineer Establishment is kept open to meet the additional outlay. Local allowances, in all such cases, including presidency allowance and house-rent, should be passed on the scale fixed for Engineer officers of the Provincial Establishment in Public Works Department Resolution No. 1504 G., dated 3rd May 1894.

6. When it is desired to remunerate an officer under the provisions of this Resolution, a full report of the circumstances of the case should be made for the orders of the Government of India.

The Governments of Madras and Bombay, Public Works Department, General and Railway Branches.
The Governments of Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
