~~The assembled at 4.30, P.M.~~

The Committee assembled at 4.30. P.M. and inspected one Swiss cottage tent and one necessary tent, pitched in the office compound .
Both the tents were found to be in very good, and serviceable condition, and with the exception of two purdahs, and three chicks, to be complete in every respect.
Having regard to the price of similar tents , when new, the Committee is of opinion, that RS. 300, (Three hundred Rupees) is a fair price for the ones, under inspection.

DOWLAISHWERAM, 4. March 1896.

SIR,

With reference to your memorandum No. 924C 17.2.96 I have the honour to submit the Estimate called for together with the report of the Committee who valued the tents belonging to me.

2. Mr. Handcock's tent was not seen by the Committee Mr. Handcock being out in Camp. I have seen the tent myself and value it at Rs 35/-

3. I beg to point out that the Estimate sanctioned in G.O. no. 1131W 13.5.95 provided tents for one Assistant Engineer in the Vizagapatam Dn. As these tents have not yet been purchased there seems no necessity to sanction a separate Estimate for these tents now proposed for the Coast Engineers
