Letter from the Executive Engineer Kistna Eastern Dn. to the Supg Engineer, 2nd Circle, Dt 10th Feby 1896, No. 4735.

I have the honour to bring to your notice that since I made an application for a Surveyor for the Delta Map which was sanctioned in Government order No. 791 W Dt 29.3.95 I was able to get a sufficient number of the new village maps to enable me to do without a Surveyor but I now require a draftsman to complete the indoor work.

2. I have, therefore pending your approval employed a temporary man on Rs 40 for this purpose whose pay will be charged against the estimate already sanctioned for the Surveyor.

No. 2547 Rs / 5.3.96 Forwarded to the Chief Engineer P. W. Department for favour of obtaining the Sanction of Government to the employment of a draftsman on Rs 40 in place of a Surveyor sanctioned in G.O. No. 791 W Dt 29.3.95.

READ—the following paper :—

From S. D. PEARS, Esq., Superintendent of Works, No. I Periyár Division, to the Chief Engineer, Public Works Department, dated Periyár, 5th March 1896, No. 219 C.E.

As the sanction accorded for temporary establishment in this division in G.O., No. 965 W. of 24th April 1895, expired on the 29th February 1896, I have the honour to submit, for the sanction of Government, a proposition statement of establishment required in this division after that date.

2. All the establishment proposed will probably be dispensed with before the end of this month, and the sanction now sought is required to cover their employment only for three or four weeks from 1st March.

3. There will, however, be three or four minor works remaining incomplete at the end of this month. The Executive Engineer, Madura, may perhaps arrange for his present establishment aided by the Thekadi sluice superintendent and his staff to supervise these, as they are all small and approaching completion ; but as he may not be able to do this, it will possibly be necessary to keep on one sub-overseer and two lascars till, at furthest, the 30th April.

4. The Examiner, Public Works Accounts, also writes to say that he considers it necessary for my present two accountants to complete the accounts for March. For this purpose, and in connection with the removal of records from here to Madura or Trichinopoly, it will probably be necessary to keep on two clerks—one on Rs. 60 and one on Rs. 40 per mensem—and two office messengers at Rs. 10 per mensem till April 15th.
