FINANCIAL DEPARTMENT.

Read—the following paper:—

From the Accountant-General, No. 291, dated 1st February 1896.

Order—No. 161, Financial, dated 12th March 1896.

The total charges on account of the move of Government to the Hills in 1895 amounted to Rs. 29,163 against Rs. 31,296 in 1894. Excluding from 1894 the cost of the Military Secretariat, which has now disappeared from the statement, the figure for that year stood at Rs. 26,698. Deducting again the amount recovered as house-rent from clerks and savings arising from the undrawn Presidency allowance and house-rent of the Joint and Under Secretaries to Government, Public Works Department, the expenditure stands at—

	Rs.
1894	24,589
1895	27,587

Though there was an excess in 1895, the total charges on account of the Secretariat departments compare on the whole favourably with the expenditure in previous years, as will be seen from the following table:—

—	Chief Secretariat.	Revenue Secretariat.	Public Works Secretariat.	Total.
	Rs.	Rs.	Rs.	Rs.
1891 *	13,686	9,288	8,160	31,134

1894	10,341	8,274	8,076	26,691
.. ..	9,937	7,763	7,580	25,280
Total ..	33,964	25,325	23,816	83,105
Average	11,321	8,442	7,939	27,702
1895	10,905	8,147	8,096	27,148

* *Note.*—The year 1892 has been excluded, as the stay of Government on the Hills was then abnormally short.

The charges on account of travelling allowance to assistants and clerks are still higher in the Revenue and Public Works Departments than in the Chief Secretariat, whilst those on account of Hill allowance in the Public Works Department exceed either of the other departments. The attention of the Secretaries concerned will again be drawn to paragraph 3 of G.O., No. 218, Financial, dated 16th March 1894.

2. The return will be forwarded to the Home Government.

A statement is Submitted, Comparing the expenditure incurred in 1895 with that of 1894 on account of travelling allowances to Assistants and clerks' in Consequence of the move to the Hills. The excess expenditure in 1895 is accounted for as follows:—

Travelling allowances

General Branch

The excess of Rs: 122 is due to married (1) the clerks having been allowed to charge for one call of his children whereas in the preceding year they were denied that Concession and (2) to taking a married clerk in the room of a bachelor who had to return to Madras for private reasons in the earlier part of the season.

Irrigation Branch

The large increase of Rs: 283 is due to (1) a clerk having been allowed

allowed to Charge for 3 adult members of his family besides himself, which indulgence caused his travelling allowance to exceed even that of the Chief Assistant, and (2) to taking up a draftsman to the Hills.

Hill Allowance

General Branch

The excess is trifling.

Irrigation Branch

The excess of Rs. 211 is due mainly to the draftsman taken up.

Note The Sub. of 1896 [illegible] Irrigation Branch to take to the Hills a draftsman [illegible] with the Note [illegible] relative to increasing the Establishment [illegible] Note is the [illegible]

W

Submitted.

It will be seen from the above that the "Work"

Office cannot of itself reduce expenditure. The "I" & "R" offices largely contribute to swell the total figures.

Moreover, as pointed out on the previous occasion our work differs very much from that of the Chief and Assam Secretariats - and we are more like three Departments than one. This year, the Marine will make a fourth.

I propose, however, to economise this year by taking up low-paid men where practicable, and this will mean reduction of Hill allowances. The following is the Establishment proposed as compared with that of last year.

Last year.		This year.	
(1) Jayram -	Pay Rs. 160	(1) Jayram -	Pay Rs. 160
(2) Venkta	130.	(3) Krishnamachari -	40
(3) James	110.	(2) Vaidyanatha Aiyar -	80
(4) Boon -	55-	(4) S. Subramanyaiyar -	25
		(5) V. Kalyanaraman Aiyar -	20

No (1) is the Head Clerk & No (2) the Establishment Clerk - both of whom are essential. - No (5) is the additional Clerk now -

for the Marine Dept.

On the other hands E. I inclines to take a highly paid draftsman drawing Rs 100. If economy alone is studied, all drawing work might be done in Madras, as in the "Works" office.

The order in the Financial Dept will be communicated to E. I & E.R

RS
25 Mar 96.

Has this A.G.'s letter sanction a ther?

No Sanction is required, except for the additional Clerk for Marine work - and this has been applied for separately.

1894	24,589
1895	27,587

Though there was an excess in 1895, the total charges on account of the Secretariat departments compare on the whole favourably with the expenditure in previous years, as will be seen from the following table:—

—	Chief Secretariat.	Revenue Secretariat.	Public Works Secretariat.	Total.
	Rs.	Rs.	Rs.	Rs.
1891	13,686	9,288	8,160	31,134
1892*	..	..	..	..
1893	10,341	8,274	8,076	26,691
1894	9,937	7,763	7,580	25,280
Total ..	33,964	25,325	23,816	83,105
Average	11,321	8,442	7,939	27,702
1895	10,905	8,147	8,096	27,148

* *Note.*—The year 1892 has been excluded, as the stay of Government on the Hills was then abnormally short.

The charges on account of travelling allowance to assistants and clerks are still higher in the Revenue and Public Works Departments than in the Chief Secretariat, whilst those on account of Hill allowance in the Public Works Department exceed either of the other departments. The attention of the Secretaries concerned will again be drawn to paragraph 3 of G.O., No. 218, Financial, dated 16th March 1894.

2. The return will be forwarded to the Home Government.
