OFFICE NOTE No. 757 9/E

To

W.

The intimation to the Government of India was suggested as the terms were so much higher than those made in a previous case. The general rules in Civil Service Regulations articles 88 to 91 prescribe a limit to the powers of Local Governments, so also does Public Works Circular NO 3 of 22nd February 1896.

Recd. 12.3.96

The proposal may be treated in the same way as the one sanctioned in G.O.No.1009 I.dated 14th.December 1894 and the amount debited to Provincial Establishment Contingencies. It would be advisable to send a copy of the Proceedings to the Government of India if not obtaining its concurrence in anticipation, as the difference between the terms granted to Mr.Walch and those proposed for Colonel Pennycuick is very remarkable.

Please quote the rule under which the proposed reference to the Government of India is considered necessary:
