READ—the following papers:—

From the Executive Engineer, Kistna Northern Division, to the Superintending Engineer, II Circle, dated 14th February 1896, No. 624 S.E.

Your endorsement No. 2338 K.S., dated 8th February 1896, on Chief Engineer for Irrigation's No. II/12 K.S., dated 28th January 1896, and my No. 564 S.E., dated 22nd January 1896. I enclose a copy of a letter just received from the Deputy Collector, Narasaraopet, showing that a sum of Rs. 20,184-13-2 has now been awarded for payment on account of land compensation, Dondapad tank project. It will, therefore, not only be impossible to surrender the grant under this head of Rs. 10,120 as anticipated, but a further sum of Rs. 10,065 will be required to meet the charge.

2. I therefore request a further allotment be placed at my disposal under head "43. Minor works and Navigation, Works for which neither Capital nor Revenue Accounts are kept"—"Capital Account," Dondapad tank project, Land compensation, of Rs. 10,065.

ENCLOSURE.

From the Deputy Collector, Narasaraopet, to the Executive Engineer, Kistna Northern Division, dated 11th February 1896, Ref. on C. No. 3497 Rev.

In reply to your letter No. 1548 M., dated 19th January 1896, I have the honour to forward, herewith, Vinukonda Tahsildar's arzi, No. 5254, dated 28th December 1895, and to state as follows.

2. Item No. 1 of the Tahsildar's Arzi.—The District Court settled the compensation and awarded an amount of Rs. 19,421-15-2 as compensation, together with an interest at 6 per cent. per annum from date of taking possession to date of payment into the Court.

3. Item No. 2.—The compensation of this extent was settled and the owners of the lands have asked for an exchange of land and so no amount need be paid.

4. Item No. 3.—The compensation claims of this extent have been settled and two award statements, amounting to Rs. 381-7-0, have been forwarded to you with this office Ref. on C. No. 2523 Rev. of 1895, dated 6th January 1896.

5. I have therefore the honour to state that, in all, an amount of Rs. 19,803-6-2 will have to be paid to the parties before the end of the official year, and that there does not seem to be any necessity for further acquisition of the lands for Dondapad tank project.

No. 2338 K.S.

Forwarded to the Chief Engineer for Irrigation, with reference to his No. II/12 K.S., dated 28th January 1896, for favour of compliance.
