From P. R. ALLEN, Esq., Executive Engineer, Trichinopoly Division, to the Superintending Engineer, VI Circle, dated 11th January 1896, No. 564 S.E.

The Collector of Trichinopoly in his Ref. on Current No. 4029/Rev. of 1895, dated 18th December 1895, brings to my notice that a portion of the old Nabob's palace at Trichinopoly recently occupied by the Revenue Survey and Settlement office has been vacated, and requests that the same may be allotted for the location of the Stationary Sub-Magistrate's office, Trichinopoly, as the accommodation now provided for him is quite inadequate, and as the building now under reference was, at the time when the new Stationary Sub-Magistrate's scheme was sanctioned, intended for locating the Sub-Magistrate's office to avoid the construction of a new building.

2. I have therefore the honour to request that, under the circumstances explained, the necessary sanction may be obtained for the same. On receipt of orders, necessary additions or alterations will be made in the register of buildings.
