No 92 W.

From the Accountant General ^{W. Phillips} dated 27th January 1896 No 209: —

With reference to Assistant Secretary's endorse-
-ment No 118 dated the 17th of January 1896 on Proceedings of
Government, Public Works Department, No 92 W dated 10th idem, herewith
returned, I have the honor to state that it is not clear why the
Public Works Department seeks exemption from the ordinary rule that
when a department gives an officer leave it bears the cost of the
leave and the allowances of the locum tenens.

2. This liability properly ceases only when the officer on
leave is transferred. The rules are clear upon this subject both in
the Civil Account Code and the Public Works Code.

Order No 81 dated 6th February 1896.

The Government agrees with the Accountant
General.
