No. 514 S.E. South Arcot Divisional Office
Camp. Cuddalore
Dated, 24th September 1895

From

The Executive Engineer,
South Arcot Division

To

The Superintending Engineer
5th Circle.

Sir,

I have lately received application
from several officials in the District
for certificates of the correctness of the
Municipal taxes levied on Govt. buildings.
Many of these buildings are not home
in my list, such as village chavadis
or Cattle pounds, nor have I any data
to go on in granting certificates. The
time necessary for checking the
correctness of the assessments for
such buildings will be considerable
and will cause delay in settlement.
I have the honor, therefore, to request
to be informed whether I can grant
certificates without check in all cases
where no objection is taken to the assess-
ment by the officials applying for
certificates.

I have
