Office-note from the Examiner, Public Works Accounts, dated 12th February 1896,
No. 382 D./A.

ORDER—No. 617 W., dated 19th February 1896.

In G.O. No. 1866, dated 22nd July 1873, the Government decided that the cost of the erection and maintenance of pandals for buildings used as residences should be borne by the tenants. As those orders have not been uniformly enforced, attention is now called to the matter in view to their future observance.

OFFICE NOTE No.

382 $\frac{2}{A}$

To

W.

In G.O. No. 1124, W. dated 11th May 1895 Government approved that the construction of pandals be left to the decision of Executive Engineers concerned, each case being decided on its own merits. This order applies to Govt. buildings occupied as offices. G.O. No. 1866 W. dated 22nd July 1873 applies to Government Buildings occupied as residences, and rules that pandals should be constructed and maintained by the tenants.

2. Some cases have recently come under audit in regard to pandals for residences, and Government have in a few cases authorised the outlay to be passed as special cases. In the Inspection report of the Nellore Division, embodied in G.O. No. 2834, W. dated 7th November 1895, the Inspecting Officer brought to notice the existence of two pandals attached to residences which are being maintained by the State, and as similar cases may arise, I would suggest that the orders issued in G.O. No. 1866, W. dated 22nd July 1873 may now be issued under

Circular for general information in view
to prevent such outlay being incurred in
future.

3. In regard to the cases noticed in
the inspection report the Executive
Engineer Nellore Division will be asked
to recover the cost of the maintenance
of ^{the} two pandals from the Officers occupying
the buildings.
