[Despatch Abstract.]

Station house & Police lines
at Yandagaudi, The transfer
of the — to the Selang Board Narra-
pur, Sauchmet

The transfer of the station house and Police lines at Yendagandi to the Taluk Board, Narsapur, Górávari district, sanctioned on the usual conditions.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following paper:—

From the Vice President, Taluk Board, Narsapur, to the Chief Secretary to Government (through the President, District Board, Gódvári), dated Narsapur, 20th January 1896, Ref. on Cur. No. 326 Eng.

I have the honour to state that the Police station at Yendagandi, Bhímavaram taluk, was a few years ago, removed to Ganapavaram in the same taluk. The station house and the Police lines have therefore been vacant.

2. The Local Fund school at Yendagandi is now located in a rented building. Suitable buildings are required for the school and for the rest-house at Yendagandi.

3. The Superintending Engineer, I Circle, Dowlaiswaram, stated, in his letter addressed to the President, District Board, No. 671, dated 19th June last (a copy of which is herein enclosed) that the buildings in question were not required by the Public Works Department and that it was improbable that they would be of use to any other department.

4. I therefore request you will be good enough to obtain sanction of the Government to hand over the station house and the Police lines at Yendagandi to this Board—the former for the location of the school and the latter for the construction of a rest-house thereon.

ENCLOSURES.

From A. H. GARRETT, Esq., Superintending Engineer, I Circle, to the President, District Board, Gódvári, dated Dowlaiswaram, 19th June 1895, No. 671 G.D.

With reference to your endorsement No. 798, D.B., dated the 13th April 1894, on a copy of letter dated 5th idem, from the President, Taluk Board, Narsapur, I have the honour to inform you that the buildings in question have not been used for several years, that they are not required by this department, and that it is improbable that they would be of use to any other department.

2. According to the enclosed statement you will see that the buildings and their sites are valued at Rs. 740.

3. As the buildings have to be sold with their sites, I request that you will be good enough to obtain the orders of Government regarding their disposal (vide G.O. No. 1211, dated the 20th May 1895).
