CHIEF SECRETARIAT MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Inspector-General of Police, Madras, dated 18th January 1896, No. 196.

I have the honour to report that the Head Quarter Police Office in Tanjore is in want of several improvements to make it more suitable for its purpose. The building is in a good situation, and, in some ways, is a very suitable office. The rooms are, however, small and dark and owing to this, work has often to be done in the verandahs. The room, used as a guard room, is an inconvenient room and the rooms used for the stores are too small and dark for their purpose. The Superintendent has submitted suggestions for various alterations, chiefly in the direction of enlarging the rooms by the conversion of doorways into arches, which will make the rooms more convenient and let in much wanted light. The probable

probable cost will be over Rs 1000, and I therefore request that the Government will direct regular plans and estimates to be prepared by the Public Works Department and sanction the proposed alterations in the building. I enclose the plan of the building and the Memorandum, which shows what is proposed to be done.

Order No 264 dated 8th February 1896.

The Public Works Department will be requested to report whether the alterations proposed are feasible, and, if so, to forward estimates and plans for carrying them out.
