The SECRETARY to the GOVERNMENT of INDIA,
Military Department.

Sir,

I am directed to state that an allotment of Rs. 4,710 was provided in the budget estimate for 1895–96 for constructing quarters for the Sergeant Instructor of the South Indian Railway Volunteer Corps at Nellore. The local Military authorities having since requested that the building be erected at Pákala instead of at Nellore, the Superintending Engineer, IV Circle, was directed to arrange accordingly and to submit a revised estimate, if necessary. The Superintending Engineer now reports that the site has not yet been handed over and that there is thus no probability of the grant being utilized in the current official year. A portion of the grant, viz., Rupees 2,479, has therefore been re-appropriated for other works, and I am to request that the balance Rs. 2,231, or Rs. 2,777 inclusive of establishment and tools and plant charges, which is not required, may be resumed by the Government of India.

I have the honour to be,
Sir,
Your most obedient servant,

Colonel, R.E.,
Joint Secy. to Govt., P.W.D.
