The Examiner, P.W. Accounts,
Financial Department.

No 685 w/24 Feby 1896.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Office Note from the Examiner, P.W. Accounts, No. 471 D/B, d/21st Feby 96.

In the office note recorded --- above, the Examiner states that the anticipated credits under "Suspense" which will go to debit of funds -- other than 45. Provincial Civil Works will amount to Rs. 57,585, and that a sum of Rs. 57,000 may be surrendered to the Financial Department. There is also a sum of Rs. 44,420 in reserve, the whole of which is not likely to be required.

2. The grant for Provincial Civil Works, as modified up to date, amounts to Rs. 26,56,927. From this sum, Rs. 96,927 as shown below will now be surrendered to the Financial Department and the revised estimate fixed at Rs. 25,60,000 in round figures.

Suspense-----Rs. 57,000

Reserve-----,, 39,927

Total Rs. 96,927

3. There

P. W. CURRENT No. 1785

modified grant Rs. 2657000 up to 20th. February 1896, there appears to be no objection to Rs. 57000 being surrendered to the Financial Department.

3. The anticipated decrease under suspense should be shown under the head "Suspense" under 45 Provincial; but as the whole of this decrease will not go to the debit of final heads under 45 "Civil Works Provincial" but will be charged off to other budget heads, I have allowed for Rs. 57,585 being so charged off in the calculation above.

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.
