The SECRETARY TO THE COMMISSIONERS

OF Land Revenue,

Madras.

SIR,

A Sum of Rs 308 was provided in the Budget of 1895-96 under 'Petty Construction and repairs' for sundry repairs of the Treasury Deputy Collectors office. The Treasury Deputy Collector having found it difficult to frame an estimate in his office or check the one prepared by local contractors, applied to the Executive Engineer to frame an estimate. The officer deputed to inspect the office found repairs to the extent of Rs 900 necessary and the Executive Engineer applied to the Superintending Engineer for sanction of the estimate. But the latter

officer

officer requests that sanction of Government may be obtained to authorize his department to frame an estimate and execute the repairs. I have therefore the honor to request that the Board will be pleased to obtain the sanction of Government for the same.

2. The Executive Engineer reports that the cost of the repairs will be met from the funds at his disposal.

I have the honor to be,
Sir,
Your most obedient Servant,
