PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Accountant-General, Madras, dated 4th December 1896, No. 5751, forwarding copy of his letter to the Public Works Department, explaining the circumstances under which the item of Rs. 524 against unforeseen charges under contingencies was omitted in appendix to G.O. No. 789, Financial, dated 17th November 1896 and requesting that his action may be approved.

Order No. 864, dated 12th December 1896

The Government considers that as it is impossible to forecast exactly the probable expenditure on Steam-boiler Inspection in 1897-98, the entry to which the Accountant-General objects may, under the special circumstances of the case, be retained.
