GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

Office-note from D. C. GORDON, Esq., Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 25th November 1896, No. 4071-D.B.

With reference to G.O., No. 1846 W., dated 26th July 1895, a statement in the prescribed form in connection with the estimate of revenue under XXXII. Civil Works—Provincial is herewith forwarded for transmission to Government in the Financial Department.

2. In the absence of any information to frame the estimate for 1897-98, the revised estimate for 1896-97 has been adopted as the budget estimate for 1897-98; but more accurate figures for them can be furnished in February next when the actuals for the first nine months of the current official year will have been completely booked in the registers of my office.

ORDER—No. 838, Financial, dated 5th December 1896.

The collections in the last six months of the three years ending 31st March 1896 amounted, on an average, to .85, and in the absence of any special causes for anticipating larger receipts the figures cannot safely be placed at a higher sum for the same period in the current and ensuing years. The estimates will accordingly be reduced to 1.67 as shown in the appendix to these proceedings.
