Note for His Excellency the Governor

His Excellency's note of 5th April 1897.

(i) Mr. Ussher is now on 14 months furlough without medical certificate - from 2nd May 1896. The period expires on 2nd July 1897.

He asks for an extension to 15th October 1897, i.e. for 3 months and 13 days.

(ii) It is impossible to say for certain what may be the extent of the famine by next July. As far as I can foresee there are enough --- superior officers to meet all contingencies till then, the great --- demand will be for Assistant Engineers and Upper Subordinates. An officer can be recalled from leave in a month and there will always be sufficient warning. Should the --- next Monsoon fail it will be necessary to recall all officers on --- furlough.

Leave may be granted to Mr. U., on the condition proposed.
